

PPP Issues: Disclosure Forms and the Impact of PPP Loans on Transactions

Webinar Presenter Biographies

David E. Peritz - deperitz@herbein.com
Senior Manager, Herbein + Company, Inc.

David E. Peritz has twenty five years of diversified public accounting experience. His background includes many years with two national accounting firms prior to joining Gable, Peritz, Mishkin & Co. in 2002, then merging into Herbein + Company, Inc. in 2018. He has extensive experience in accounting for health care professionals, wholesale and retail businesses, real estate entities, and construction companies. He has provided consulting and has been involved in the organization and start up of many business ventures and operating businesses, in every stage from forecast through the operational phases of the entity. His accounting and tax background not only provides him with solid credentials, but also provides him with knowledge that help many business owners succeed. Dave specializes in business consultation services for closely held companies, start-up ventures, and medical and dental practices.

Tyler M. Smith - tmsmith@foxrothschild.com
Partner, Fox Rothschild, LLP

Tyler concentrates his practice in mergers and acquisitions, private equity transactions, and general corporate and commercial counseling. He also represents small businesses and emerging growth companies and their investors in connection with entity formation and capitalization, organizational structuring, commercial matters, venture capital transactions, and private securities placements. Tyler's experience includes counseling financial and strategic buyers in mergers, stock and asset acquisitions, buyouts, and recapitalizations; representing entity-level and individual sellers of businesses; and advising both small, family-owned and large-cap businesses on financing and borrowing, equity incentive, real estate, licensing, intellectual property, equity repurchase/redemption, and corporate governance issues.
