PHIGENICS LLC was founded in 2004 with the vision of "Optimizing operational efficiency and improving safety in building water systems to produce balanced systems that save money and enhance the quality of life." The company is the leading independent provider of ANSI/ASHRAE Standard 188, VHA Directive 1061, and Directive 1116(2) aligned water management programs. Phigenics also provides independent verification and validation services to ensure the water management programs are safe, efficient, and defensible while optimizing operational (water, chemical, energy, maintenance, labor) and capital costs.

PHIGENICS PRODUCTS, SERVICES & EQUIPMENT

- ✓ Comprehensive Water Management Programs for Potable and Utility Building Water Systems — Safety & Efficiency
- ✓ Water Management Programs for Construction Activities
- ✓ Water Management Programs for Sterile Processing Service
- ✓ Chiller Efficiency Service — ChillerCheck®
