# FOUR KEY BENEFITS TO ONLINE OPEN ENROLLMENT

Benefits administration and enrollment can be complex, confusing, and time-consuming for agencies, employers, and employees. But, it doesn't have to be.

Discover the four main pros of online enrollment with an HRIS.

## SAVE TIME

An online platform automatically collects, stores, and maps data, meaning time savings—and less frustration—for everyone.

## REDUCE ERROR

A best-in-class HRIS like BerniePortal automates the data collection process with carrier integrations, drastically reducing the chance for error.

## EXPAND BENEFIT OFFERINGS

All plan information is available in one place, making it easier to offer additional coverage options without adding confusion.

## INCREASE SATISFACTION

Online enrollment provides more clarity about benefits, as well as real-time resources that employers and employees appreciate.
