IRIDIUM PILOT

Delivering Exceptional Value, Performance and Durability at Sea.

Pivotal America (Pivotal) Iridium OpenPort plans use the Iridium Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Visit www.pivotal.com/iridiumcoverage to view a coverage map. Data is billed in 1 Byte increments. All calls are charged in 60 second increments unless otherwise stated. Prices quoted are in USD excluding any applicable taxes and are subject to change. For information on call costs to all countries and destinations visit www.pivotal.com/iridiumidd. Pivotal may apply call barring where fraudulent use is suspected, breach of the Pivotal Incoming Calls Fair Use Policy or for credit control purposes. 12 month minimum term applies. Please refer to the table above for minimum cost over 12 months for each plan. You may choose to waive the 12 minimum term for a 3 month term when purchasing outright only by paying a \$50.00 contract waiver fee at the time the service is connected. Plans can be upgraded at any time but will only take effect on the next billing cycle. Downgrades shall only be possible as low as the starting plan prior to any upgrade. A plan downgrade fee may apply. Downgrades below the starting plan are not allowed. A compatible Iridium device is required to access the Pivotal Iridium service (see handset pricing). You will receive a bill by email from Pivotal listing any payments you have made during the billing period, and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. You may receive a pro-rata access fee charge on your first Pivotal bill, calculated from the actual date of service connection to the date of your first bill. Itemized billed and unbilled service usage is available in the secure Selfcare website at www.pivotal.com/selfcare. An itemized bill listing all of your service usage events is available on request. Pivotal plans are available to credit approved customers only.
