

## To be an “Intelligent Enterprise”, you need to start with a Smart Migration

Partner with SOA People and transition to SAP S/4HANA at no cost\*

### THE RIGHT TIME

**Now is the time to accelerate your business processes, innovate and simplify your IT environment. With limited resources in the market, get ahead of the game to ensure a successful and smart migration to SAP S/4HANA.**

### THE SAP S/4HANA FACTORY

There's a reason we can do your migration for free. We have built and developed our fully industrialised S/4HANA Factory focused on a fast and comprehensive delivery. This enables us to take on a different approach to your S/4HANA migration.

- Dedicated skilled & senior team – We have a team focused purely on doing S/4HANA Migrations
- Clear methodology & processes – We have clear methodology, processes and procedures fully documented to ensure a standardised approach
- End to End Migration Support toolkit – Through experience, we have built many templates and associated support material to ensure accelerated success

It is this factory approach combined with our deep SAP process knowledge that will help facilitate your S/4HANA migration in the fastest and most cost-effective and efficient way possible.

### GET AHEAD AND BE READY TO ENGAGE YOUR DIGITALS OPPORTUNITIES

All businesses are affected by the digital momentum. However, the market conditions to migrate to S/4HANA are perfect today, so why wait until the pressure of 2025. A peak in demand to migrate will mean less resources and higher project costs. This is the ideal opportunity to take control of your business and profit from this S/4HANA Smart Migration opportunity.

## TAKE THE FIRST STEP – S/4HANA ASSESSMENT

Our specialised functional and technical assessments will help you identify and prioritise your business processes and determine how they will change and improve in S/4HANA. Our programme includes:

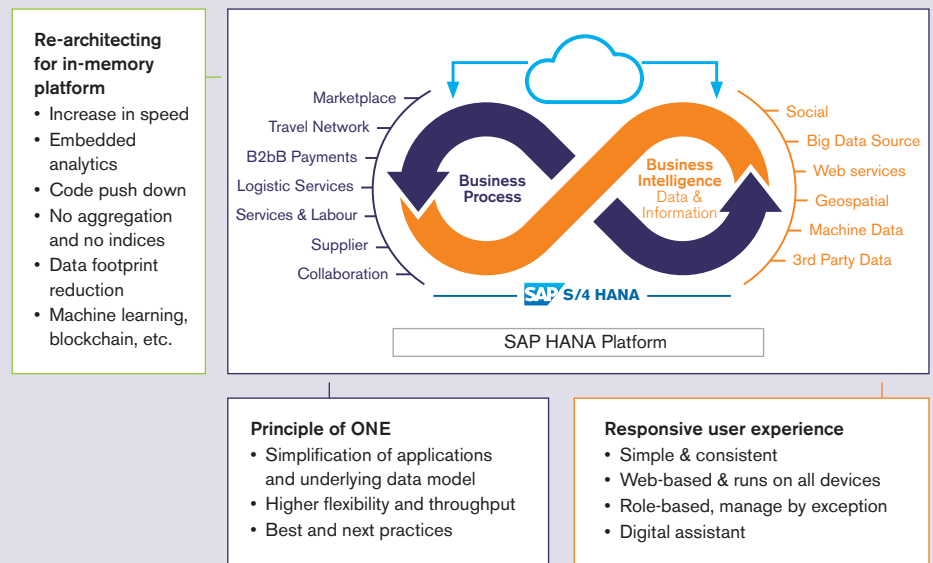

- Creating a clear and detailed roadmap to help you transition from SAP ERP to S/4HANA
- Delivering a simple 5-step, highly pragmatic approach to your transitioning to SAP S/4HANA
- Providing proven experts in SAP S/4HANA and all SAP solutions
- Deep dive into custom code management
- Analysis of the different business processes involved for on premise or cloud
- Advice on number of man days needed for a migration

S/4HANA ASSESSMENT**

## WHY MOVE TO SAP S/4HANA?

- More than just a technology platform – It's the digital future, opening the door to Artificial Intelligence capabilities, next generation processes and an award winning user experience
- Give your users a mobile enabled experience – with many new functions and features from SAP Fiori to help them do their job faster and easier
- Connects you to people, devices, business networks and big data in real time, to do things previously unimagined
- Allows you to run all processes in real time, eliminating batch processing
- Enables you to conduct powerful predictive analytics and simulations based on live real-time data, empowering immediate decision in your executive meetings
- Speeds up deployment with on premise, managed cloud and public cloud editions combined with easy configuration.

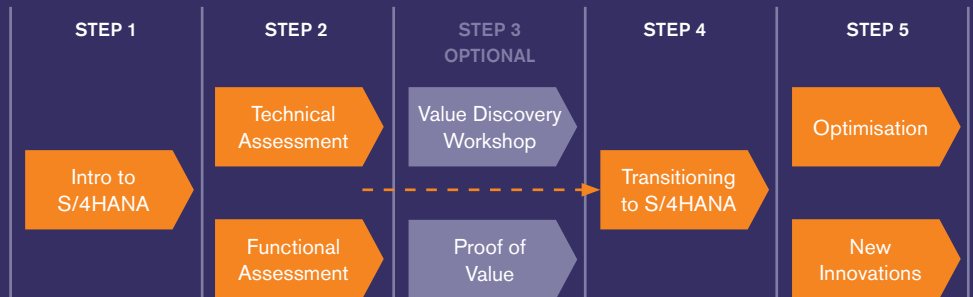

## 3 KEY ASPECTS OF S/4HANA – “THE INTELLIGENT ERP”
