

Power wheelchairs
M-Series

permobil

Battery status and travel range estimates help you know how far you can go

Integrated map illustrates daily and historic travel behavior

MyPermobil

MyPermobil connectivity is an available option on all new M-Series models.

More adventure

The new Permobil battery and VoltPro charger work together to provide you with up to 25% greater driving distance, reduced charging times, and longer battery life. Use the MyPermobil app to get even more from every adventure with seat activity tracking, battery range estimates, and an integrated map.

Driving range up to 20 miles

Reduced charging times

Longer battery life

More freedom

Corpus®, our most capable power wheelchair seating system, now provides you with even more positioning options. Enhanced stability on the new M-Series enables you to optimize your repositioning, functional reach, and power drive positions for even greater freedom of movement.

Up to 3.2 mph
elevated drive
speed

Full suspension at any
elevation, seat position,
or drive speed

180° of power recline
50° of posterior tilt

90° – 180°
of legrest elevation

Seating

To save a seated or relaxed position, move your seat to the desired position and press the corresponding button. The slider will then indicate which position you are currently closer to.

Your current position

Position 1

Position 2

FlexLink Pro
M5 Corpus

2X more powerful LED lights for true pathway lighting and enhanced visibility

M3 Corpus

Meticulously engineered to help you maintain better positioning, feel more secure, and reduce driving fatigue so you can conquer daily activities with ease. Its compact base offers maneuverability in tight spaces without sacrificing performance. Featuring the innovative FlexLink suspension geometry with independent caster swing-arms helping to keep you stable and in control as you traverse the obstacles in your world.

M5 Corpus

Take control with high-performance motors enabling a top speed of 7.5 mph and exceptional low-end torque that lets you pivot like a pro. Experience unsurpassed stability and ride comfort with FlexLink Pro independent drive wheel suspension. The M5 Corpus will take you to new heights with increased stability and full suspension even in 14" of seat elevation.

BodiLink on Corpus

Specially designed for the Corpus seating system, BodiLink accessories feature best-in-class hardware. Offering true anatomical support with the highest level of adjustability and comfort to meet your individual positioning needs.

Head Support—
Easy to adjust piano hinge and double-taper joints for maximum strength

Lateral Trunk Support—
Designed for enhanced comfort and trunk alignment with unique wrist joint rotation adjustability allowing pad to match body contours

Lateral Pelvic/Thigh Support—
Easily position along the UniTrack rail with 360° pad adjustment and user-friendly quick release lever
