Declaration of Compliance for UN2800

We hereby certify that all Fiamm Sealed power brand batteries of the FG, FGC, FGH and FGHL range are Non Spillable as defined in Packing Instruction 806 and satisfy special provision A67 of the **IATA Dangerous Goods Regulation** (and also **ADR, RID** and **IMDG code** special provision 238 for Road, Rail and Sea Transportation). The tested products have passed all the required tests.

As a result we are able to declare that batteries in the ranges indicated above are not classified as dangerous goods and are safe for transportation

If any additional information are required, our technical specialists will be pleased to assist you.
