permobil

Ask your MyPermobil Voice Assistant

- What is the current battery charge?

- When did I last charge?

- What is my estimated range?

- How far can I drive?

- How many repositions have I done today?

- What are my usage records?

- What's my serial number?

Android™ & iOS devices

1. Open the Alexa app, tap the "More" icon and then "Skills & Games".

2. Tap the "Your Skills" tab and search for "MyPermobil".

3. Tap the "MyPermobil skill".

4. Tap the "Enable to use" button.

5. Tap "Settings", then "Link Account".

6. Choose your region.

7. Enter your MyPermobil account email address and tap continue.

8. Check your email for the verification code, enter the code into the verification textbox and tap "Verify account".

9. Your Amazon Alexa and MyPermobil app are now linked.

Android devices

1. Open the Google Home app.

2. At the top right, tap your account icon.

3. Verify the Google Account listed is the account linked to your smart speaker device. To switch accounts, tap the triangle next to Google Account, then tap another account or "Add another account".

4. Tap "Assistant settings", and "Explore".

5. Search for the MyPermobil card. (Note: You need to have the MyPermobil app downloaded on your mobile device).

6. Tap on the blue "link" text.

7. Choose your region.

8. Enter your MyPermobil account email address and tap "Continue".

9. Check your email for the verification code, enter the code into the verification textbox and tap "Verify account".

10. Your Google Home and MyPermobil app are now linked.

iOS devices

1. Open the Google Assistant app (iOS).

2. At the top right, tap your account.

3. Verify the Google Account listed is the account linked to your smart speaker device. To switch accounts, tap the triangle next to Google Account, then tap another account or "Add another account".

4. Go back to the home screen, and tap the explore icon at the bottom right.

5. Search for the MyPermobil card. (Note: You need to have the MyPermobil app downloaded on your mobile device).

6. Tap on the blue "link" text.

7. Choose your region.

8. Enter your MyPermobil account email address and tap "Continue".

9. Check your email for the verification code, enter the code into the verification textbox and tap "Verify account".

10. Your Google Assistant and MyPermobil app are now linked.
