

Children's wheelchair

The smallest wheelchair for kids.

The Permobil **Koala Miniflex** is the ideal wheelchair for children, from toddlers to young teenagers. It is equipped with the same powerful motors and front-wheel drive as Permobil's wheelchairs for adults, but adapted to the needs of children. The Miniflex seating system is a flexible seating system for growing children and children with special seating needs. Available in three sizes and with a range of body supports.

~~Options include installation of an orthotic seat.~~
