

Power assist

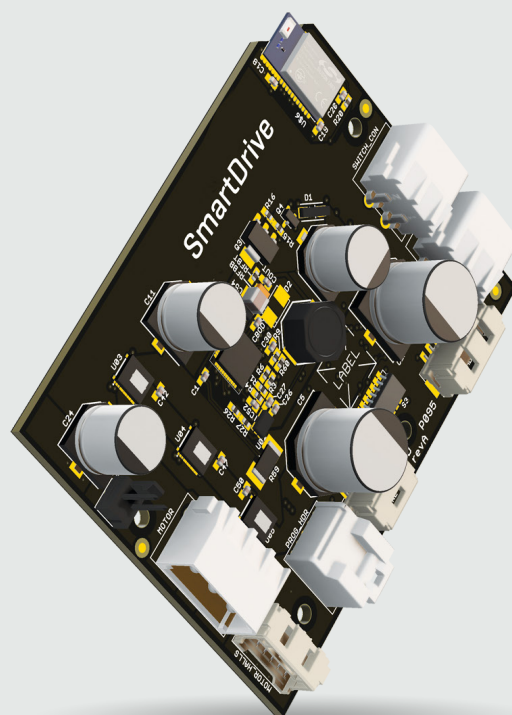

SmartDrive enhancements

You asked for more, and we delivered! Say hello to more SmartDrive.

We've updated SmartDrive electronics to give you 50% more power, reinforced our folding adapter bar, and added a new universal padded handle option. All to help you power your push, your way.

50% more power

Up to 50% more* means more power when taking quick turns, going up hills or ramps, and carrying heavy loads.

permobil

*Actual power and speed control will vary based on driving and battery conditions. Specifications may vary based upon configuration. Please refer to your owners manual for warnings and instructions for the safe operation of your wheelchair in a variety of driving conditions.

Universal padded handle

A handle option with increased length and padding gives more individuals easy access to on-demand power assist.

Reinforced adapter bar

Ride with confidence in your folding wheelchair using the reinforced SmartDrive adapter bar.

New hardware for a secure and durable attachment
