

10 - 10:30 A.M. EST

KEYNOTE SESSION

Scaling DevOps across the Enterprise

Akash Tayal, U.S. Cloud Strategy & Operating Model Leader at Deloitte Consulting Bob Vuong, Principal at Deloitte Consulting LLP in Deloitte's Cloud Offering

10:30 - 11:15 A.M. EST

KEYNOTE SESSION

Data-driven DevOps: The Key to Improving Speed and Scale

Kohsuke Kawaguchi, Co-CEO & Co-Founder of Launchable

11:15 - 11:45 A.M. EST

GITOPS

5 Tips to Modernize Applications to Increase Agility & Get Quick ROI

E.G. Nadhan, Chief Architect and Strategist at Red Hat

HUMANS IN DEVOPS

No Legacy DevOps: Lessons Learned and Learning

Rayvn Manuel, Senior App Developer & Lead DevOps Engineer at the National Museum of African American History and Culture

OBSERVABILITY

The DevOps Journey

Orit Golowinski, Senior Product Manager of Progressive Delivery at GitLab

SRE •

Delivering Reliably: Driving Continuous Delivery through SRE

Tiffany Jachja, Technical Evangelist at Harness

T00LS

Scaling Bottom-Up DevOps Initiatives: Choose your Tools Wisely

Maya Ber Lerner, Chief Technology Officer at Quali

Continuous Product Oriented Practice: Building Next-Gen Products, the DevOps Way! 12:45 - 1:15 P.M. EST

CI/CD

If DevOps is the Jelly in a PB&J Sandwich, What is VSM?

Lance Knight, COO of ConnectALL

GITOPS

A Server-Side Chat: 10 Years of DevOps and Beyond

Brian Dawson, Director & DevOps Evangelist at CloudBees Kohsuke Kawaguchi, Co-CEO and Co-Founder of Launchable

HUMANS IN DEVOPS

Using Modern Interactive Document Techniques to Protect your DevOps Assets

Bob Reselman, Analyst at Accelerated Strategies Group

OBSERVABILITY

Learning from the Visible Past to Accelerate the Observable Future

Curtis Hrischuk, Technical Product Manager at Instana

TOOLS (

Implementing Control and Security at the Application Layer on Kubernetes

Bruno Andrade, Founder of Shipa

1.15 - 2.00 P.M. EST

KEYNOTE SESSION

Moving Beyond How Many Deploys a Day (to Continuous Delivery) with Spinnaker

Alan Shimel, Founder & CEO of MediaOps
Daniel R. Odio (DROdio), CEO of Armory.io
Isaac Mosquera, CTO of Armory.io
Sarah Novotny, Open Source Wonk, Azure Office of the CTO at Microsoft
Kelsey Hightower, Staff Developer Advocate at Google
Andy Glover, Director of Productivity Engineering at Netflix

2:00 - 2:30 P.M. EST

KEYNOTE SESSION

The Sociotechnical Path to High-Performing Teams

Charity Majors, CTO at Honeycomb.io

2:30 - 3:00 P.M. EST

KEYNOTE SESSION

Kubernetes Disrupts! Security Threats & Shifts you Can't Ignore

Loris Degioanni, CTO and Founder of Sysdig

3:00 - 3:30 P.M. EST	
CI/CD •	Meet the Continuous Delivery Foundation Tracy Ragan, Creator & CEO of DeployHub
GITOPS	Verified GitOps: Beyond Git Sync Bryan Feuling, Solutions Architect at Harness
HUMANS IN DEVOPS	Achieving your DevOps Goals Martyn Coupland, Senior Technology Consultant, Ensono
OBSERVABILITY •	Understand your Microservices: Observability in Modern Applications Chris Harding, Solution Engineer at Epsagon
SRE •	Empowered SRE: Driving the Operational Burden to Zero Michael Scott Winslow, Senior Director, Software Development & Engineering at Comcast
TOOLS •	New Framework to Choose the Right Open Source Product in the Era of Cloud and SaaS Pankaj Gupta, Senior Director Product Marketing at Citrix
3:30 - 4:00 P.M. EST	Panel: How Complex Enterprises are Really Evolving their DevOps
*One Hour	Jeff Keyes, VP of Product at Plutora Benjamin Fedorka, Lead Software Designer, Continuous Delivery Enablement at Jackson Ted Youel, Senior Principal Engineer at Optum Technology Ahmad Bacchus, Application Development Manager at Healthfirst Sean Platthy, Senior Manager I&O at Healthfirst
GITOPS	Agile Compliance and Risk Operations Mark Peters, Lead Information Assurance/Security Engineer at Technica Corporation
HUMANS IN DEVOPS	Humanizing DevOps through Data Steve Boone, Head of Product Management at HCL Software
OBSERVABILITY •	Scaling DevOps to the Edge Stephen Chin, Senior Director of Developer Relations at JFrog
SRE •	SRE and SLOs: Bringing Resilience to Production Software Alex Hidalgo, Site Reliability Engineer at Nobl9 Mitch Ashley, CEO of Accelerated Strategies Group
TOOLS •	How to Reach Open Source Security Nirvana Guy Bar-Gil, Product Manager at WhiteSource

4:00 - 4:30 P.M. EST CI/CD *One Hour	Panel: How Complex Enterprises are Really Evolving their DevOps Jeff Keyes, VP of Product at Plutora Benjamin Fedorka, Lead Software Designer, Continuous Delivery Enablement at Jackson Ted Youel, Senior Principal Engineer at Optum Technology Ahmad Bacchus, Application Development Manager at Healthfirst Sean Platthy, Senior Manager I&O at Healthfirst
HUMANS IN DEVOPS *One Hour	Fireside Chat with The Black Shirt and The Rockstar: From Waterfall to DevOps Abel Wang, Principal Cloud Advocate & DevOps Lead at Microsoft Donovan Brown, Principal Cloud Advocate Manager, Methods & Practices Organization at Microsoft Charlene O'Hanlon, Chief Content Officer at MediaOps
OBSERVABILITY •	Qualitative Analysis for Digital Transformation John Willis, Senior Director, Global Transformation Office at Red Hat
