

TimeWorks^{Plus}[®]

Mobile App

Empower your organization

Cut down admin time across your company. From employees clocking in/out to supervisors approving time cards, get the convenience you need going mobile with PinPoint GPS.

Manage timekeeping on the go.

Going mobile gives you the following features:

- GPS-stamped entries
- View personal time cards
- View schedules/punches
- Approve time cards
- View/submit PTO requests
- View personal profile
- Manage passwords remotely

Employers/Supervisors also get:

- View/approve PTO
- Clock in/out employees
- View daily workforce
- Manage absences
- View GPS location stamps
- Contact employees via app
- View or add notes to employee time cards
