- We have reduced the deadline to make the full payment of the reservation from 60 to 45 days prior to departure.
- We also reduced from 60 to 45 days prior to departure the deadline to notify the postponement of the reservation, without charging any fine.
- Passengers with reservations for the 2020-2021 season who wish to reschedule for our 2021-2022 season will have until August 30, 2020 to make this request.

TRAVEL WITH CONFIDENCE

We want your only concern to be having your camera ready to photograph one of the most unspoiled corners of the planet. Leave your safety on our hands, we will take care of it. COMFORT AND SPACIOUSNESS

Our cruise ships specially designed to navigate the narrowest fjords in Tierra del Fuego, allow us to offer a safe and intimate experience, in spacious and comfortable environments. With a maximum capacity of only 200 passengers, in Australis there are no massive queues or large traffic jams, but rather spacious public areas with panoramic views through which the majestic landscape of Patagonia parades.

VIRGIN LANDSCAPES

Our route, between the remote cities of Punta Arenas and Ushuaia, does not stop at any intermediate port, only the hidden bays and inlets. Here we visit native forests or approach the most imposing glaciers of the regions, accompanied by our experienced expedition guides.
