

Welcome

Welcome to Winnwood, a retirement community rich in history, saturated with color, and committed to the grace and elegance of life.

Winnwood sits on over 8 acres, surrounded by beautiful landscaping that produces a park-like atmosphere. Despite the quiet location, you're only moments away from local shopping, fine restaurants, hospitals and doctors' offices.

The feeling of charm and beauty extends inward as well. Two-story common areas give light and space, for entertaining old friends, or meeting new ones. An elegant dining room, library and club room are natural gathering places, and cozy sitting rooms on each floor are perfect for casual socializing. A commitment to providing varied social opportunities assures that every day is interesting and entertaining.

"Retirement Living at its Finest," is more than our mission statement- it's a lifestyle commitment. Every thing we do, from the professional staff to the detailed opulence of our gardens, is to one end-providing the best service to our residents so that they're truly living life to its fullest.

Activities

We believe that when the mind is happy and being stimulated, a person's overall attitude and health is improved. One of our activities coordinators personally meets with each resident upon moving in to discuss all of their interests. Residents can participate in as many activities as they like, or as few as they choose. Our programs are flexible, and as the residents' interests evolve and change, so do the activities and events.

Winnwood is fortunate to be located near the Historic Square in Marietta, and Atlanta is just a short drive away. This allows us to take day trips on our 36 passenger limousine-bus to the Georgia Aquarium, see a movie at the The Strand Theatre or simply enjoy a drive to the north Georgia mountains. However, it is not necessary for residents to leave the property to have a great time. Our Activity Team host weekly wine and cheese events and create beautiful tearooms for our annual Mother/Daughter tea party.

Our residents are encouraged to participate in activities, but we understand that not everyone will want to be a social butterfly. Our morning exercise classes are led by our on-site physical therapists and is a great option for those who enjoy being around others, but may not like the lively parties or outings. We also offer residents the option to join several clubs that play different card and board games. For those who are interested in learning more about a wide variety of topics, we bring in knowledgeable speakers for fabulous lectures.

We would love for you to visit us and participate in one of our exciting events or outings. Check out our online calendar and give us a call to sign up today.
