Parent Night Cancellation

Greetings in the name of Christ!

We are off to a great start this year and are very thankful for the overall health and safety of our community relative to COVID-19. The students and staff have done a remarkable job in cooperating with our various safety strategies.

Thanks for your ongoing support!

Please join me in praying for the continued well-being of the ML Family!

So as to not unnecessarily expose new groups of folks to one another and also allow for enough time for cleaning on the evening of the 16th of September, we will not be holding our "Parent Night."

We apologize for any inconvenience or disappointment here and please know that we making this and other decisions in the name of the safety and health of everyone connected to our school.

Please also mark your calendars for the upcoming Parent/ Teacher conferences on the 15th and 16th of October. At this time, our plan is to hold these important in person events as previously planned.

Please contact me with questions, etc.

Thanks for your understanding and cooperation as together we continue to move forward with this school year. We are off to a great start!

Stay safe, take care, and Christ's peace,

Dr. Wayne E. Jensen
Principal

Regular attendance at school is viewed to be essential for successful earning of credits at the high school level. The school day (*including Student Help Days*) should have priority status over outside activities.

Messages regarding attendance can be left on the school office voice mail 414-421-4000, please hold on the line and you will be connected to the general voice mail system at any time of the day or night. Parents/guardians may, also, notify the office staff in advance for absences, appointments, etc. by sending a note with your student or calling the office.

For The Milwaukee County Transit System (MCTS), A maximum of 15 passengers are allowed on a bus at any given time. We will be flexible with students impacted by this.

ATTENDANCE REMINDERS:

- When a student must miss a school day for an illness, funeral, etc., or will be arriving later in the morning because of an appointment, please remember:

On the day of the absence, parents should call the school office by 9:00 AM.

If the school office staff has not been contacted, parents will receive a phone call and email from the office staff. Once we receive a return call from a parent/guardian, the student's absence will be marked as excused. If we do not receive a return phone call/email, the absence will remain as "unexcused truant".

- **When a student arrives late to school, they must come to the school office (Please ensure your student arrives to school with enough time to get to their lockers and get to class before 8:00a.m.)**. If a parent/guardian has not contacted the office regarding their student's late arrival, the student's attendance will be marked as "tardy". If a student arrives 20 minutes late, their attendance will be marked as "unexcused truant" unless a parent/guardian has contacted the office.

- **If a student needs to leave school during the day for any reason, please send a note with the student or call the office by 9:00 AM.** Students are then given a pass to leave.
- **If a student becomes ill during the school day, they must** come to the school office, and the office staff will promptly contact the parent/guardian. A Permit To Leave Campus will then be given to the student.
- **If a student will be out of school for an extended time,** they need to pick up a Pre-Planned Absence Form from the office. This form must be signed by the parents, all of the student's teachers, guidance counselor and the principal. Also, a note should be sent to the office.

PLEASE NOTE: For the safety of our students, faculty and staff only essential visitors will be allowed in the building during the school day. If you are picking up your student, please refrain from coming into the building. Thank you for your understanding and cooperation.

The Spartan Golf Open welcomes golfers of all skill levels, and it is going to be an awesome day! There will be plenty to eat and drink! Games and prizes are planned throughout the day, as well as raffles.

We would love to have you join us for an amazing day with great golf, food and fellowship!

Student Emergency Fund

Over 30 million Americans lost their job in the past 6 weeks due to COVID-19 with more than 3.9 million filing for unemployment. We understand some of these numbers are faces of people in our LHSAGM family. Our relationships with our families are important so we have implemented a plan to help those affected by a job loss or decrease in income.

We are grateful to announce that the LHSAGM Foundation has launched a Student Emergency Fund. This fund will give tuition relief to current and new LHSAGM families who are significantly affected by COVID-19 for the 2020-21 school year. If you are a family in need of emergency funds, please reach out to your admissions director to start a conversation.

If you are blessed to be in a position to help, please prayerfully consider [donating to the Student Emergency Fund](#) today. You will directly help families in need.

Regardless of your situation, please continue to keep us and those significantly affected in your prayers as we rely on our Christian community to come through this together.

Sincerely,

Cole Braun, CEO
