New standard Print Report Menu

The screenshot shows the 'EFD Nursing Covid 19' application window. On the left, a 'NUR Print Report Menu' dropdown is open, listing various report options. A yellow box highlights 'New standardized Print Report menu' with an arrow pointing to the 'Print Report' option in the dropdown. On the right, a vertical menu contains buttons for 'Allergies', 'Admin Data', 'Orders', 'Assessment', 'Process Int', 'PI Loc/List', 'Plan of Care', 'Pt Notes', 'eMAR', 'Monitor', 'Transfusions', 'Review', 'Reconcile Rx', 'Flowsheet', 'Discharge', 'Print Report', 'Variance', 'References', and 'My List'. The 'Print Report' button is highlighted with a yellow box and an arrow from the dropdown. At the bottom, there are buttons for 'Location', 'Find Patient', 'Manage List', 'Options', 'Select Board', and 'Exit'.
