

Keep the Focus on Teacher Preparation

“While some teacher prep programs may be tempted to reduce video usage after the pandemic, we’re going to use it more than ever.”

Dr. Debra Lively, Professor of Education
Saginaw Valley State University

Let Teacher Candidates Show What They Know

Get a Demo ▶

- **MAXIMIZE TIME & BUDGET**

Observe and assess teacher candidates from anywhere.

- **FOCUS ON FEEDBACK**

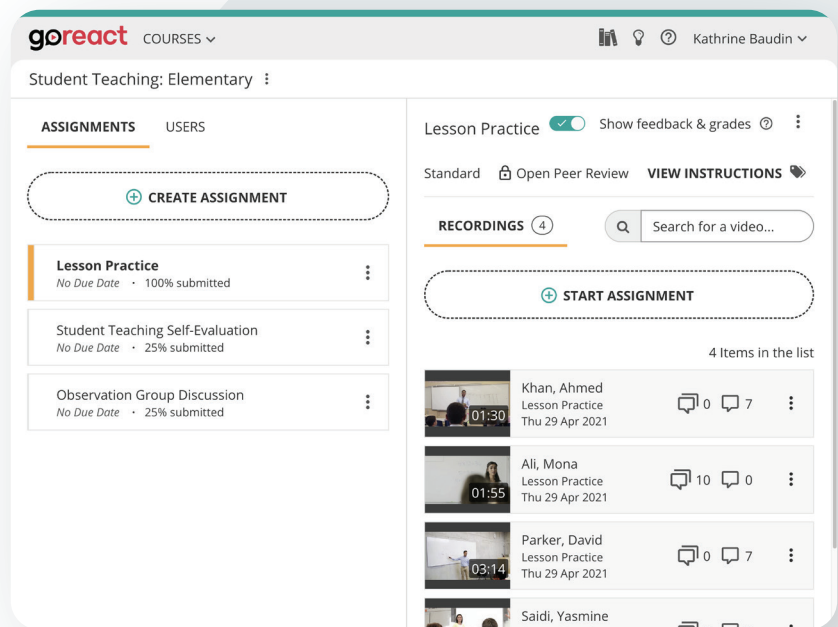

Give every candidate more personalized, time-stamped feedback.

- **DEEPEN REFLECTIVE PRACTICE**

Don't rely on memory—get evidence-based reflections.

- **PLAN FOR ACCREDITATION**

Record growth and competency in accreditation standards with objective evidence.

Use It In Person & Remotely

STUDENT TEACHING: Observe fieldwork and internships live or online for synchronous or asynchronous assessment. **See it in action**

DISPOSITION SCREENINGS: Screen candidates carefully by including a video component for your program's application portfolio.

METHODOLOGY COURSES: Help candidates find their teaching voice by modeling different methodologies and techniques. **See it in action**

CERTIFICATION PREP: Customize markers, rubrics, and assignments to practice creating video artifacts for certification.
