

Day Camp Packing List

Please be sure to have completed all online forms, including the health history form, in your camper's [online account](#) prior to arrival. Campers will not be permitted to stay without a completed health form and if required, their [medication addendum](#).

In addition to including these details on the health form, **please contact our office directly to discuss severe food allergies, special diets (e.g. gluten free), and other dietary and behavioral accommodations**, either via live [Help Chat](#) on our website or by [submitting this form](#). By letting us know a few weeks in advance (at minimum), we can help to make sure your camper has a safe and welcoming experience at camp!

For 2021, campers should plan to pack at least one clean mask for each day they are at camp, regardless of vaccination status. This can include multi-layer fabric masks and/or one-time use masks. Please read [the CDC recommendations for effective mask styles and wearing to learn more](#). Bandanas, masks with vents or valves, single-layer gaiters, and face shields worn alone are not considered effective and will not be approved for use at camp.

We ask that all staff and campers dress practically for camp, meaning clothing that allows them to be comfortable and covered while being very active outdoors. **For this purpose, we enforce a dress code that includes the following tenets:** Campers should pack clothing that fully covers all private areas and all undergarments (underwear, bras/bra straps) at all times. Campers should wear bathing suits that are secure and comfortable for active aquatic programming. **We ask that boys wear trunk-style bathing suits and girls wear one-piece or tankini style bathing suits.** *Everyone* is encouraged to consider “rash guards” or “swim tees” as ways to help prevent sunburn and skin damage from UV exposure. Shorts, a t-shirt and a hat with a brim is an excellent everyday outfit!

Please do NOT bring... electronics such as iPods, e-readers, smart phones/watches, cell phones, radios, TVs, or video games; aerosol spray cans, weapons/firearms, pocketknives, pets or animals, illegal substances, personal sports equipment or valuables. Such items may interfere with the program and are subject to confiscation.

Food is not allowed to be stored in cabins due to the potential risk of insect/animal problems. Please do not pack candy, gum, or other foodstuffs. Lunch and snacks are provided for campers every day.

***Siesta** is our name for rest period, a quiet time after lunch when campers are invited to nap or do another quiet, individual activity. Camp days are very active, and rest period allows campers to recharge before another busy afternoon! For 2021, Siesta will be held under the Day Camp tent so that campers can unmask to nap. Sleeping mats will be provided, but campers should bring a pillow and a blanket or sleeping bag.
