

August is PECOMETH MONTH!

Pecometh is celebrating 75 years of God-inspired, life-changing ministry.

Countless people have met Jesus, accepted Jesus and learned how to follow Jesus more faithfully and effectively through camps and retreats at Pecometh.

In 2019, 266 campers received camperships totaling \$100,865. Of those, 160 came through the Spain Grant program, which costs the family just \$50 for a week of camp.

Despite the pandemic, we are on track to serve 572 campers and 8083 retreat guests in 2021.

Pecometh is OUR CAMP.
Let's support it generously!

Summer Camp Makes a Difference!

"All of my children have attended Pecometh, it has always been a highlight of their summer. It gives kids a chance to disconnect from devices and reconnect with people, nature and God."

"This is the second time our son has been to camp. He loves every second of it and can't wait for next summer and is even talking about becoming a counselor himself!"
