

Prayer for Pecometh Month

"Gracious God, we give you thanks for 75 years of God-inspired, life-changing ministry at Camp Pecometh. We are grateful for all those who have had the vision, passion and dedication to make it what it is today. We thank you for the many lives that have been touched by you through the stillness of a quiet moment, the beauty of your creation, and the simplicity that comes from disconnecting from daily life. We thank you for the relationships developed through fun, service and learning together. We thank you for the many people, churches and organizations who have supported Pecometh over the years. We ask that you continue to use Pecometh as a means of your grace. Be with the board, staff, volunteers, donors and churches that work to share the gift that is Pecometh. Remind us that this gift is entrusted to us so that we can show the world the love that you give through Jesus. It's in his name we pray. Amen."
