Starting in 2020, CC Plus will partner with colleges around the nation providing tuition reimbursements for students who participate in the CC Plus program.

Currently, CC Plus partners with Southeastern University, Lakeland, FL and The College of Southeastern, C@SE, located in Wake Forest, NC. Both partners are regionally accredited.

CC Plus also offers degree plans. A degree plan is a document explaining a set of college course information leading to a specific degree, including courses completed and those intended for future study.
