FREEDOM THROUGH TRANSPORT

THE ACCESSIBLE CAR

Built for its ease of use and drivability the WAV 1 is the smallest accessible vehicle on offer from our wide range. Built on a VW caddy and to IVA Approval the WAV 1 is a market leader. The already high specification can also be tailored to meet your own specific needs, including a complete wipe clean rear and seats as well as privacy glass and climate control.

With 5 seats (including driver) and 1 wheelchair space, this vehicle is perfect for small groups and/or families who want to maintain their independence.
