

CHARCOT AVENUE EXTENSION OVER I-880 PROJECT COMMUNITY MEETING

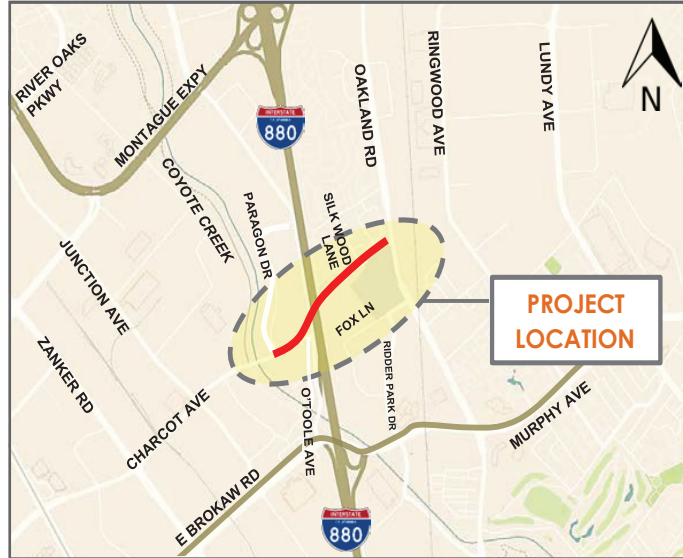

The City of San José Department of Transportation is leading the effort to extend Charcot Avenue over I-880, from Paragon Drive to Oakland Road. The Draft Environmental Impact Report (EIR) was released on 8/27/19 for public review as part of the environmental clearance process. This meeting will be held to present the project background, provide a project update, and ask for your written comments about the draft EIR.

Meeting Details
