## Fundraiser Email

### Email template to ask for support.

Here's an email template you can edit and share with your supporters to encourage their friends, family, colleagues, neighbours, dentists, and pets (?) to donate to their fundraising page!

Hi <name>,

You might already know this, but if you don't, here's the skinny:  
I'm participating in <event/appeal name> for <charity name> and I'm way excited!

A big part of <event/appeal name> is raising much needed funds for <charity name> - a fantastic organisation that is working hard towards <charity's cause>.

You can see my progress and donate (hint hint!) right here, on my  
**GivePenny** page <link to GivePenny page>.

I've set myself the target of <\*target> so please do help me along the way by donating! You can donate in a variety of ways, so feel free to be creative!

Thanks for all your help! <fundraiser name>
