

Budget & Track Costs More Efficiently

- Customizable programs for cost containment including a fixed cost per patient per day
- Easily budget your medical supply costs and reduce internal expenses allowing for cost savings
- Fifteen years of experience with PPD healthcare programs, our expertise will generate cost savings
- Consolidated invoicing/monthly billing
- True partnership between Concordance and your facility/shared risk. Concordance will help with utilization to help keep costs down
- Concordance will assist in managing your supplies
- Our goal is to reduce your medical supply spend while offering superior customer support

The Concordance PPD (Patient Per Day) program will generate significant cost savings for your organization. Obtain all of your medical supplies from Concordance for a fixed price per patient day allowing you to budget and track costs more efficiently.
