

**SMART**  
Reporting Tools

## Reduce Cost & Increase Efficiency Through Supply Chain

The SMART Reporting™ supply chain solution includes a range of customized reports unique to your organization, including the Concordance Corporate Business Review. The SMART Reporting™ portfolio of reports provides measurements on service and relationship performance, formulary compliance, contract utilization and expirations, as well as spend on macro or micro levels.

Please see the reverse side for a list of reports included in the SMART Reporting™ program.
