concordancehealthcare.com

Concordance Healthcare Solutions has the products you need to reduce the risk of COVID-19 transmission to you and your patients. As you continue to build your inventory, Concordance is your trusted partner to provide all the necessary supplies including the following products and so much more.

COVID Prevention and Testing Products

Mfg #: 256082

BD Veritor™ System

The portable, easy-to-use BD Veritor™ Plus System provides reliable COVID-19 (SARS-CoV-2) results in 15 minutes. Results are analyzed and digitally displayed by the BD Veritor Analyzer. Advanced particle technology for enhanced sensitivity. CLIA waived. **30 Tests/Kit**

Mfg #: 256082 / Concordance #: 326088

Mfg #: DYNPROD00022

Dynamics Inc. Nanowave Air

Dynamics "Nanowave" Technology is the first technology to successfully inactivate aerosolized COVID-19 virus in fast moving air at multiple labs from the NIAID Biodefense Laboratory Network. Includes Device, Adapter and Tripod. **300 Kit**

Mfg #: DYNPROD00022 / Concordance #: 333161

Mfg #: MOONBEAM3

Diversy MoonBeam™3

Portable, powerful solution disinfects quickly, reliably and responsibly. MoonBeam™3 is designed for fast, on-demand disinfection of high-touch surfaces in classrooms, offices, patient rooms, operating rooms and bathrooms and can be used on equipment, fixtures, keyboards, monitors and work stations.

Mfg #: MOONBEAM3 / Concordance #: 255497

Mfg #: UV24LED

VidaShield™ UV24

Continuous UV-C air purification integrated seamlessly into ceiling lighting. Treats a 10' x 10' x 8' room four times per hour, sized to fit in drop-in ceiling systems, provides continuous air purification, even in occupied spaces, improves air quality and minimizes odors using a MERV 6 filter and reduces infection rates caused by MRSA, C difficile, CAUTIs, CLANSIs and VREs by up to 57%.

Mfg #: UV24LED / Concordance #: 321770

Mfg #: ARCUVC

RZero Arc

Hospital-grade surface and air disinfection with UV-C. The first germicidal UV system designed for dynamic environments, Arc destroys harmful pathogens—including human coronavirus, influenza, norovirus and E. coli—in less than 7 minutes.

Mfg #: ARCUVC / Concordance #: 338003

Mfg #: MA-25

Medify Air Professional Grade Air Purifier

Provide an Ultraclean Environment with an air purifier trusted by thousands of doctors, dentists, dermatologists and healthcare professionals to promote cleanliness and safety in lobbies, patient rooms and offices. Especially in cases where patients cannot keep a distance or wear a mask during treatment, Medify purifiers provide a second line of defense.

Mfg #: MA-25 / Concordance #: 336544

Masks

Mfg #: ACFFMHB9R

Face Shield

Full-coverage face shield. Elastic Band, Foam Pad, Latex-Free

Mfg #: ACFFMHB9R / Concordance #: 335198

Mfg #: 3PML2-EXEL-11

Level 2 Procedure Mask

Face Mask with Earloops. TAA Compliant. **Made in Cambodia.**

Mfg #: 3PML2-EXEL-11 / Concordance #: 341201

Mfg #: 205615

Level 3 Procedure Mask

Face Mask with Earloops.

Mfg #: 205615 / Concordance #: 346085

Mfg #: HCS3013BK

Level 2 Surgical Mask

Face mask with ear loops. Fluid Resistant

Mfg #: HCS3013BK / Concordance #: 323828

Mfg #: DC365

Honeywell Surgical N95 Respirator

Mfg #: DC365N95HC / Concordance #: 137350

Mfg #: DC300N95

Honeywell N95 Mask

Offered in a universal size, the DC300 is designed to comfortably fit most facial shapes while providing outstanding respiratory protection. NIOSH Approved N95 Particulate Respirator (NIOSH 42 CFR 84), Cloth Straps, Welded Style, No Nose Clip, No Valve, **Made in the USA**

Mfg #: DC300N95 / Concordance #: 137300

Isolation Gowns

Mfg #: HCS3000B

Isolation Gown, Basic - Universal

Single layer, spunbound poly-blend cover gowns feature neck and waist ties as well as elastic cuffs. Economical choice for areas requiring low level protection. Yellow

Mfg #: HCS3000B / Concordance #: 328159

Mfg #: 3001BU

Level 1 Isolation Gown - Universal

Blue

Mfg #: 3001BU / Concordance #: 324062

Mfg #: HCS3004XLB
WUHIG

Level 2 Isolation Gown - X-Large

Isolation gowns constructed of a multi-layer fabric that provide AAMI level 1 & 2 barrier protection. Available in multiple sizes and styles to fit your needs. Yellow

Mfg #: HCS3004XLB / Concordance #: 325626

Level 2 Isolation Gown - X-Large

This medium weight, multi-ply, AAMI Level 2 yellow isolation gown is made of comfortable, strong and durable SMS material for demanding situations. Yellow

Mfg #: WUHIG / Concordance #: 328078

Mfg #: 3002XLB

Poly Isolation Gown with Thumbloops - X-Large

Blue poly isolation gowns are made from impervious polypropylene material, which provides the highest level of protection. Thumb-loops keep sleeves from sliding and the open-back style allows for air circulation.

Mfg #: 3002XLB / Concordance #: 324759

Mfg #: 1486A

Poly Isolation Gown with Thumbloops - Universal

Poly-coated gown features open back and thumb loop cuffs. Gowns provide high-level fluid protection. Blue

Mfg #: 1486A / Concordance #: 332851
