He became a part of the Wealth Enhancement Group team through the acquisition of Reby Advisors. His clients include business owners, executives, and families who rely on him to not only develop their financial plans but also advise them on the many issues that arise over a lifetime. Patrick and his wife, Carol Ann, have five children. He lives with his family in Somers, New York, which he enjoys for its balance of small-town feel and proximity to New York City. His hobbies include reading about American history and traveling with his family. He is passionate about learning from everyone he meets.
