

# FUTURE-PROOF YOUR SCHOOL CURRICULUM

Train your students on Canada's most trusted legal accounting and practice management software

**uLaw EDU Partners Program**

## uLaw's award-winning developers have created a purpose-built EDU system specifically designed for Canadian law, paralegal, and law clerk programs.

For free, uLawPractice is providing access to its EDU system for Canadian colleges and Universities. Your students will graduate with practical experiencing using automated technology that is compliant with Law Society regulations.

Build your curriculum with uLaw. Your school will be provided with unfettered support using a software that is trusted by regulators.

Ask us about our **free** self-managed program for post-secondary institutions!
