

# TAKE YOUR BUSINESS BEYOND

PRINCE WILLIAM  
COUNTY, VIRGINIA

The Economic Development Newsletter  
2nd Quarter, 2021

Vol 24, Issue 2

## PROJECT SUCCESSES: APR-JUN 2021

The Department successfully completed 6 projects during the second quarter of 2021 - 3 new business attractions and 3 business expansions. The companies involved operate within several areas targeted by the county, namely, life sciences; information technology; specialized logistics and supply chain; and corporate facilities. These 6 projects are expected to invest a total of \$517 million in the county and add 163 new jobs. For the first half of 2021, the Department closed 12 projects with total estimated capital investment of \$1.3 billion and new job creation of 196.

# ONGOING PROGRAMS & INITIATIVES

## The New Frontier

The Department's 10-part webinar series on workforce and redevelopment continues. The next session, "*Maintaining Work-Life Balance*," is scheduled for July 15th. Register [here](#).

## Catalyst for Change

The Department, in collaboration with NOVA EDA, is continuing the webinar series launched last fall that focuses on how companies can turn disruption into success. The next session, "*Agile Innovation: How Building Momentum Unleashes Creativity*," will be held on July 15th. Register [here](#).

## Building Momentum

The Department launched its new Building Momentum channel designed to highlight businesses that used grant assistance during the Covid-19 pandemic to successfully pivot their operations. Watch their inspirational stories [here](#).

## Northern Virginia Bioscience Center

The Northern Virginia Bioscience Center is a 30,000 square-foot commercial wet lab space opening in 2021. Designed to build and grow promising life science-based companies, the center will offer access to infrastructure, equipment, expertise and startup support services. Read more [here](#).
