73	Zero. Very few business development parks, no high-rises, relatively few walkable communities. The wildlife sanctuary near Belmont Bay is a dump, filled with trash.. a total embarrassment. The police and fire trucks appear so newthat there Must be ample government waste. I strongly suspect that the county will not be able to meet it's pension obligations. It's well known that the county education system and admin is a racket. The airport authority was also known as being completely corrupt. 85	Nothing really. The roads use to be very clean when I first moved up here and now they are littered with trash. You would see people on weekends cleaning the sides of the roads and making it nice. Now you don't. This is not what I moved here for. The government would stick to protecting the Rural Crescent and not let these big housing developers come in and take away our "green space." Instead you are going after the dollar and not worrying about your constituents. You tax the heck out of homeowners and land owners. However very little of that money seems to go into our economy. Nothing to be proud of.	5/17/2021 9:35 AM

330	The School system is good, however PWCS is becoming too politically correct. Being politically correct squashes voices of one side or the other. All sides should be able to express their opinions to all extents without prosecution in accordance with our 1st Amendment Rights. Forcing political correctness and/or removing history of slavery and/or key historic fact will only doom our society to repeat itself. 548	We've made huge strides away from 'bedroom exurb' to 'Fairfax lite' with investments in parks (the Neabsco boardwalk, for instance) and infrastructure (the route 1 rebuild, PWC parkway). Also the diversity in the county is pretty fantastic.	5/13/2021 7:19 AM

Prince William County - Messaging and Branding

712	As a librarian at the Woodbridge Campus of Northern Virginia Community College, the thing that makes me most proud of our county is our students and the amazing things they do. Community college students range from recent high school grads to seniors citizens and come from all backgrounds. Some hope to transfer, while others seek degrees, certificates or even just a course or two for continuing education. Regardless of what they hope to do, every day I see students working hard to achieve their goals and dreams, and I see the community and the county providing them support. Challenges and barriers remain, but I think that Prince William County may be one of the best places to pursue the American Dream. There is a wonderful synergy here among students, business and community that benefits everyone.	5/12/2021 9:50 PM
713	It was it's conservative roots, but PWC has gone the way of Fairfax County, Arlington , Alexandria and is turning into a liberal haven where everything is going to be decided by race, sex, denegrating our roots. Quit bashing our country and bring back Patriotism.	5/12/2021 9:49 PM

I'd rather our county not boast about a substance that has been directly linked to being the culprit behind so many diseases that end up killing people. It's disgusting and doesn't represent the limitless beauties and rich history that our county has. Please change it. I'm sure I'm not articulating my word well enough as it's the end of an 18hr day. 1534	Not too much. IMO it is a poor sibling compared to Loudoun, Fairfax, Arlington counties. Pretends to be country, but is really a collection of bedroom communities with no central theme or centers to carry it. Manassas area is being left to die in favor of western side of county. Manassas could be a great hub, but has been abandoned. The 24-hour airport is the thing I am most proud of. 2 Silos is pretty cool.	5/11/2021 11:30 AM

We almost moved there but ended up not. I'm grateful now because it seems like the county no longer cares about preserving that lifestyle and the land, and cares only about development and money. 1668	Not much with this socialist agenda and waste if resources and funds	4/30/2021 11:31 AM
1669	Could be considered an "up and coming" county if you put some serious planning/work into servicing your senior population. Have you updated your demographics on the senior population over the next 5, 10, 15, etc.years. Now look at the senior centers in your more heavily populated areas--you currently don't have enough. Imagine how bad it is going to get in the next 5, 10, 15. etc. years. Suggestion: Maybe you could find some schools that have been reduced in services, due to the pandemic, to be targeted a day or so each week for your seniors. Maybe this would help some of us who have been "locked" inside over the past year with very little support from the county. Especially helpful for those of us who live by	4/30/2021 10:30 AM

1713	I work here. I like being able to order things locally and have them delivered to my office that I can't get closer to home.	4/27/2021 12:53 PM
1714	Truthfully nothing. The infrastructure is some of the worst in the entire state, second to maybe only a mismanaged and over populated Richmond. Poor infra planning, encroachment on existing homes and businesses, half completed projects, inability to manage current issues, and pressing for even more gross overpopulation has resulted in gridlock, unsustainable crowding, depletion of natural resources, and destruction of natural resources in more desperate need during expansion. Existing site renovation to remove decades-old abandoned locations, projects, and failed communities has resulted in wasted space in key areas and the resolution to this has been to expand into undeveloped areas further destroying natural resources and increasing vehicle traffic while removing foot traffic for smaller businesses. Combined with expansion of the local government's interference in daily life, taxes continuously increasing with no benefits to the community, and holding companies/organizations to painfully obvious racist restrictions (such as the recently finally resolved issues with Dar Alnoor that should have never existed in the first place), the county's preference is showing, influencing policy, and creating policy where no policies should be applied. PWCs involvement in matters of racial issues in our area have been simply exacerbated by redistricting, policy decisions, and removal of civil liberties on top of it all. As a nearly 40 year resident, I have personally seen the decline and it's only getting worse at a faster pace and it's driving those of us who demand adherence to the fundamental ideals of the country (and even Virginia in general) to actively leave. So in closing, if you're attempting to gentrify the county in the obvious way you are, you are succeeding.	4/27/2021 12:29 PM

There is more and more retail and no additional jobs that support the cost of living. The "amenities are all focused on the Eastern and central side of the county ignoring the western side. The parks and things to attract visitors and recreation are lackluster. For good jobs, entertainment, food, entertainment/activities I go outside of the county. 1894	Nothing! The current board is disgusting, especially with the democratic race baiting and ridiculous spending. 1945	I can remember moving here in 1981, and being teased about moving to the boonies. I loved the farms, seeing the crops and animals as I drove to the Dart Drug at the corner of Liberia and Davis Ford Road. That is all gone, and buried under rows of lookalike houses. Davis Ford Rd, is a side road and the Pr. Wm. Parkway barrels along side the subdivisions. Very little made me proud of Prince William over the 35 years I saw farms, trees, open land and affordable housing subsumed by highways and mega malls. I am sad this county did not fight for it's own identity as did Fauquier and Rappahannock.	4/23/2021 2:16 PM

1951	Proud? I'm embarrassed and disgusted! Our current BOCS, and their various new "Commissions" (Racial & Social Justice, Sustainability, etc.) are a waste of money, and are created to concoct "solutions" to problems that don't exist, while ignoring problems that do (such as a lack of funding for Police and an absence of support for the Police dept. by 5 on the BOCS). Take a look at your own "Strategic Plan Survey Report for 2021-2024".	4/23/2021 12:05 PM

2076	Prince William County has wonderful Arts, music, visual arts, theater arts programs and the GMU Hylton Arts Center is a huge asset. The Manassas Ballet, Manassas Symphony Orchestra, Little theater groups -could be larger or better funded. We have awesome arts programs for kids in all forms..music/visual arts/dance/theater. We have the best of both worlds, vibrant shopping centers such as Potomac Mills and Stonebridge and every store you can imagine to country road farms where we can purchase eggs and flowers. We also have the City, County, and Country lifestyles to offer, from quaint towns like Occoquan, areas along the Potomac River to, the farms in Nokesville, suburban communities in Lake Ridge and the Bullrun mountains with differing lot sizes, landscapes. We have great schools and teachers-but we outgrow them right after new ones are built because we have a "growing" problem. We need to stop building housing and stripmalls and communities dependent on vehicles. We need little towns with central areas with real needs in those areas..not full of Old Navy's and big box stores. Our Parks and Recreation and Libraries are awesome, but they have not expanded with the population growth. Most of the rec. centers, except the Freedom center, are east of Chinn Park Rec. center. The Manassas Battlefield and PW Forest Park are both National Parks and they both bring in tourism dollars, but our County parks need improved-owning only 5000 acres. We're centrally located with DC close by and Fredrickburg to the south or Middleburg, Leesburg, Winchester to the North and West within an hours drive.	4/22/2021 2:28 PM

2087	County and its funds are well managed. Growth generally seems to proceed with guidance avoiding simply exploding an area with any buyer.	4/22/2021 2:03 PM
2088	What? It is a bedroom community for the DMV that continues to expand its tax base by allowing developers to strip out whole forests without appreciably adding to the infrastructure and allowing personal agendas of supervisors to influence county ordinances and local laws. For example, I live in a bedroom community that abuts three other communities, two newer and one older. When the newer ones were built they were allowed to create cut-thru access through our neighborhoods although they had their own access to Route 1. So now we have lots of speeding failure to stop at stop signs and aggressive driving all the time, for no reason other than the convenience of the newer neighborhoods and more danger to our children.	4/22/2021 1:59 PM

75	Space to stretch out. Good school system (that still has room for improvement). Not overcrowded like Fairfax, Arlington or Prince George's. Generally secure environment where the police treat EVERYONE with respect and dignity.	5/17/2021 9:46 PM
76	I wouldn't it already over crowded, including area roads.	5/17/2021 9:38 PM
77	I wouldn't. If I did it would only be because the peoples republic of Maryland would be much worse and living around Leesburg and Centerville and Fairfax are much too expensive. No waterfront community, so I can't recommend that. Occoquan is ridiculously small, cramped, overpriced, with no parking and is a great place to get a ticket. No one that has lived here for any length of time actually goes down there voluntarily. If they do it's for a restaurant, but all the longtime locals tend not to because if you have an adult beverage with dinner you're taking your career in your hands. Furthermore I hear they're giving tickets for people using cell phones in their cars rather than giving tickets for actual accidents with aggrieved parties. The tax crunch is hereGet ready for the use of police to raise funds for county projects.	5/17/2021 8:31 PM

84	Good cost of living, good diversity in my area	5/17/2021 11:53 AM
85	Good schools. More affordable. Less congested.	5/17/2021 11:53 AM
86	Lower taxes. Although PWC is catching up to Fairfax County's tax rate. PWC doesn't warrant the higher taxes. Many communities need better access to good education from base schools. Put all the taxes for education in one pot and divide it up equally. Schools will have the same amount of money for budgetary needs and to provide a first class education to all PWC children.	5/17/2021 11:17 AM
87	Good schools, decent neighborhoods to live in	5/17/2021 10:51 AM

93	I would not. The Board of Supervisors does not listen to the constituents. Rather, they are trying to take away the beauty of the county by adding data centers. I have already told two families about the tax hikes and how their voices will not be heard.	5/17/2021 8:35 AM

205	No. #1 - The roads, schools and infrastructure have always lagged behind the construction of housing (I am a 19 year home owner and resident in PWC). #2 - There is a serious shortage of doctors, especially specialists (i.e. cardiologists, gastroenterologists, oncologists) in our area per capita. #1 - I have had to be referred to Fairfax INOVA for these specialists as ours had limited resources at the hospital level and/or appointment availability. (I was told by my long-standing GI office that I would have to wait for 2-3 months for an urgent appointment or be seen in the ER for GI issues that were NOT emergencies in order to be seen. #2 - my cardiology team moved from Manassas to Fairfax INOVA due to better hospital facilities for cardiac care. With the current nightmare roadwork on I-66, the trek to Fairfax INOVA hospital/medical center is not an option. Thus, I have no cardiology care in PWC.	5/14/2021 7:42 AM

All of the new development seems to be residential or commercial/retail. Not attracting major employers. The new developments only add to school overcrowding and congestion on the roads. Leave the rural crescent alone stop picking at the edges.	5/13/2021 1:15 PM

421	More affordable housing	5/13/2021 10:43 AM
422	It's very diverse but has a long way to go in catering to the diversity of the county. Too many chain food restaurants and not enough family owned, mom and pop restaurants. More culture needed.	5/13/2021 10:41 AM

424	It is less expensive to live here than in other counties.	5/13/2021 10:39 AM
425	At this point I would not. After see/hearing your suggestion for education during the pandemic...it is clear you have zero value for teachers in this community by bringing them back to work before offering a vaccine or as I have seen on some Facebook pages, clear disregard for others safety.	5/13/2021 10:37 AM
426	I would encourage someone to move to Prince William County, because it is a nice quiet community and for the most part the center for attractions are drawn around Potomac Mall.	5/13/2021 10:36 AM
427	PWC provides a smaller town feel with large city opportunities, and caters to a wide range of interests. It still maintains large areas of nature and opportunities to pursue outdoor and indoor activities, covering a wide range of ages.	5/13/2021 10:34 AM

441	I wouldn't unless traffic was not an issue for commuting to work. I am not economically focused, I moved to PWC because of the sense of community and the connection with the outdoors, both are being lost with the focus on economic growth and development.	5/13/2021 10:08 AM

455	Unfortunately, right now I do not believe I can. I do not like the direction our county is heading in due to the high taxes and talk about further developing the Rural Crescent. I do not have faith in many of our supervisors at this point in time. With their vision, taxes will increase, crime will increase, road congestion will increase, and development of rural areas will increase.	5/13/2021 9:44 AM

I would also be concerned about having to tell someone about the overcrowded classroom conditions compared to surrounding counties.	5/13/2021 8:39 AM
502	It's a good place to raise kids to expose them to people from all over the world. Every day we see people of all races, religions, cultures, and backgrounds. 527	PWC has many amenities: parks, gyms, shopping, work, activities for young and old. The climate is changing and NOT for the better. By giving up rural land and overdevelopment we will turn into another dirty, traffic jam city. I loved the fact that PWC has protected land and has made a nice coupling of city and country. That was always my favorite part of PWC. Sadly, i can see this changing as supervisors just want to overdevelop everything. I will be moving out of PWC in the next 3-5 years.	5/13/2021 8:09 AM

553	The schools are good. There is something for everyone. You can live in more densely populated areas with convenience nearby or live in the rural crescent and have more space and still have convenience nearby.	5/13/2021 7:49 AM
554	With all the new housing and office buildings being built and not purchased taking over the green spaces, I wouldn't.	5/13/2021 7:45 AM
555	Affordable and nice housing while still being close to the city	5/13/2021 7:45 AM
556	Great place to raise a family, School system provides a world class education for children.	5/13/2021 7:43 AM

561	More affordable than further north, yet still good commute times to surrounding areas, excellent schools (Fairfax usually gets attention for this but I would argue PWCS is better), plentiful job opportunities; great parks & recreation options	5/13/2021 7:37 AM
562	I would not	5/13/2021 7:36 AM
563	I would not encourage a move to PWC. The schools are over crowded and are more like a social service office who gives free just for existing instead of awarding achievement. Traffic is horrible as the BOCS approves housing developments in already congested areas. There is too many cars parking on neighborhood streets, which makes it difficult and unsafe to drive.	5/13/2021 7:36 AM
564	good schools, good neighborhoods in certain areas	5/13/2021 7:34 AM

579	If I had to encourage someone, it would be for the reasons above, but I don't want to encourage people to move here, because we have enough people. I get claustrophobic when I go to Fairfax or Arlington counties. There are cars and people everywhere, and there is too much housing.	5/13/2021 7:16 AM

Prince William County - Messaging and Branding

808	Great location, and great place to raise a family	5/12/2021 9:05 PM
809	It's an affordable area compared to the other cities between it and DC. There are nice communities with everything you need close by.	5/12/2021 9:05 PM
810	Honestly, I wouldn't. We are considering moving away after 18 years here because it's so stuck in the 1980s. It drives businesses away. It's roadways are littered with hazards (multi-lane 4 way stops, lack of turn lanes and weird traffic control situations. It's a complete mess.	5/12/2021 9:03 PM
811	I actually feel like we're overcrowded	5/12/2021 9:03 PM
812	Close to DC but more affordable	5/12/2021 9:02 PM

819	Just the right distance from and accessibility to DC.	5/12/2021 8:58 PM
820	Yes	5/12/2021 8:57 PM
821	I don't know if I would—I don't like the direction I see the county going and plan to move. Too many houses and other structures being built without consideration for infrastructure. The roads are already overcrowded with poorly-timed lights. I can't imagine what it will be like ten years from now at the rate things are being built.	5/12/2021 8:56 PM
822	lower costs for better quality of life	5/12/2021 8:54 PM
823	Possibly. The pendulum needs to be equalized. Right now it is swinging far to left and creating greater inequality. This is not appealing as a place to live.	5/12/2021 8:54 PM
824	A chance to live in a diverse community with good schools and a safe neighborhood.	5/12/2021 8:54 PM
825	I won't encourage anyone to move here. Sub par shopping and roads. Too much development and taxes sky high. This county is poorly run and I fear for its future. I can't wait to move out of this expensive concrete wasteland.	5/12/2021 8:54 PM
826	School system	5/12/2021 8:53 PM
827	Lower cost but easy access to work in DC; halfway between ocean & mountains for quick vacations; and close to major interstates & airports for traveling.	5/12/2021 8:53 PM
828	I would not encourage anyone to move to the county. The schools are not good, taxes are too high (and increasing yearly) and it is overpopulated.	5/12/2021 8:52 PM

879	Good schools	5/12/2021 8:17 PM
880	Affordable housing	5/12/2021 8:17 PM
881	I wouldn't. The commute is terrible, choice of high-tech jobs is very limited, property is overpriced, it's not walking/bike friendly, and the park system is subpar compared to Fauquier and Fairfax. I am trying to get my parents to move and my wife and I are moving as soon as the kids are out of school. It's just where people are stored when they aren't working in Fairfax, Arlington, DC, et al. Prince William #1 in people storage.	5/12/2021 8:17 PM
882	Close to everything. Taxes are less than other counties. Decent schools.	5/12/2021 8:16 PM

911	It's more affordable than Fairfax and Loudoun County	5/12/2021 8:01 PM
912	I would encourage those who wish to truly preserve the County to move here and to run against the current elected incumbents who are soft on crime; conform to anti-intellectual academic policies; and heavy on the destruction of the County's rural, natural habitats.	5/12/2021 8:01 PM
913	Affordable housing, commuting options (pre-covid)	5/12/2021 8:00 PM
914	I wouldn't - it's becoming too expensive and there isn't enough funding being given to the schools. Every kindergarten and 1st grade teacher deserves to have a dedicated aid in their classroom. Properly fund this mandatory staffing and stop using principals and site based budgets as a scape goat.	5/12/2021 8:00 PM

1022	Prince William County strikes a nice balance within Northern Virginia. We moved out of Alexandria because it was overcrowded and congested. PWC gives us the amenities of Northern Virginia without some of the hassles common to the area. We have a way to go in some areas, but PWC has a unique character that makes it different from Fairfax, Loudoun and others.	5/12/2021 7:03 PM

1134	Because of job availability and lower expenses for residency	5/12/2021 6:28 PM
1135	I wouldn't encourage anyone to move hear. That is one of my issues/concerns with PWC, they keep building houses, condos and apartments. The county is overcrowded and the infrastructure isn't capable of supporting. PWC is also building random non-named brand markets such as Bellagio Nails & Spa, Velocity Urgent Care and if I see another storage facility be built, I'm definitely considering making a move out of this county.	5/12/2021 6:27 PM
1136	Better than Fairfax	5/12/2021 6:26 PM
1137	When I first moved to the DC area in 2000, I thought I needed to be close to the metro. The OmniRide commuter buses and VRE expanded what I thought was a manageable commute. And that was pre-COVID virtual work. Park and Ride and slugging with OmniRide make the commute less stressful, cheaper, and faster than when I lived within the Beltway and used the Metro.	5/12/2021 6:26 PM
1138	Today, I wouldn't! See earlier responses!	5/12/2021 6:26 PM

1269	It's a decent area to reside in	5/12/2021 5:56 PM
1270	Not sure I would given current tendancies for county policies to cave to social warrior policies and not foster conservative values	5/12/2021 5:56 PM

1287	Schools-prior to virtual learning	5/12/2021 5:54 PM
1288	I wouldn't. I'd tell them to move West or South, unless they prefer living in an up and coming Democrat stronghold, with failing policies, which will eventually lead to high taxes, high crime rates, an increased cost of living, plus propaganda pushed in our educational system.	5/12/2021 5:54 PM

1342	Good Housing and Shopping	5/12/2021 5:43 PM
1343	Absolutely not. The cost of living far outweighs any benefit on the residents. The quality of life is poor, traffic is atrocious, and the BOCS cares more about road signs then the homeless population.	5/12/2021 5:43 PM
1344	Mass Transit options are becoming more available and reliable	5/12/2021 5:43 PM

1408	It does offer some great areas to live. But, it's starting to get TOO populated, TOO congested. When I see yet another new home construction project, I feel sad. We're too congested and getting to work/home can be a nightmare. I hate it. Then uses our taxpayer money wastefully to support criminals, gang members and illegal aliens and Does not support there noble Police Department. This will result in less work and initiative from the police officers and us more crime and victimization of myself, my family and the other citizens of the county	5/11/2021 5:40 PM

It has become less so in the last decade. 1643	For an economic environment to raise a family I would. Not much here for singles or seniors.	5/11/2021 8:40 AM
1644	Yes. Very easy to drive. Hopefully low taxes. I would definitely encourage people who do not have school age children to move here. Low test scores in some schools make areas unattractive to young people with school age children.	5/11/2021 8:31 AM
1645	I might encourage a young family with wage earners working in Washington, DC. The county has fairly good transportation available and commuter lots for sluggers. The schools are good and there are many family child care establishments available if needed. We now have living facilities for senior citizens. What we also have is a Board of Supervisors who approve every building permit thus creating high density residence and business areas with no plan for the infrastructure to accommodate traffic, which e.g. Old Bridge Road, is a gridlock mess at commuter times of the the day. Our taxes have also increased significantly. Crime has definitely increased.	5/11/2021 8:28 AM
1646	It is a great place outside of the city of Washington DC and the surrounding suburbs. It is peaceful and open and green.	5/11/2021 8:12 AM

1696	yes	5/10/2021 7:46 PM
1697	위 답이 이유입니다	5/10/2021 7:44 PM
1698	Nice, safe place to live. We need better shopping and restaurant options.	5/10/2021 7:44 PM
1699	A little more affordable than Fairfax county.	5/10/2021 7:41 PM
1700	good schools, good jobs, and friendly people	5/10/2021 7:37 PM
1701	Yes	5/10/2021 7:31 PM
1702	Because it's cheaper than neighbouring counties without being too country.	5/10/2021 7:30 PM
1703	Prince William County is emerging as a leader in Northern Virginia.	5/10/2021 7:26 PM
1704	The above	5/10/2021 7:19 PM
1705	Jobs, reasonable commute to DC	5/10/2021 7:16 PM
1706	I would not.. Too much Government, and not enough independence. Stifles business.	5/10/2021 7:16 PM
1707	I wouldn't. The county is moving to dismantle the Rural Crescent, over clear objections of those living here, and the current County Board of Supervisors clearly doesn't care what the citizens think or want.	5/10/2021 7:13 PM
1708	Cost of living lower than other Northern VA counties	5/10/2021 7:11 PM
1709	Infrastructure, location, diversity.	5/10/2021 7:10 PM
1710	Yes.	5/10/2021 7:06 PM
1711	I wouldn't	5/10/2021 7:06 PM
1712	Residents are above average in education, job salary.	5/10/2021 7:03 PM
1713	Great people, good schools. Beautiful landscape	5/10/2021 6:59 PM
1714	There is a lot to see and do here and housing is less expensive than Fairfax County.	5/10/2021 6:58 PM

1720	Tax rate	5/10/2021 6:41 PM
1721	not now---	5/10/2021 6:41 PM
1722	The diversity and location	5/10/2021 6:38 PM
1723	It's growth	5/10/2021 6:38 PM
1724	Improving school system	5/10/2021 6:36 PM
1725	Sense of community although Lake Ridge is more like a highway to Manassas from 95 these days! I feel so vulnerable when I drive to and from Manassas (I teach): high speed drivers all long Old Bridge Rd who change lanes dangerously close to other cars and go through red traffic lights all the time! This is a problem! Old Bridge Rd. should never have become an extension of the PW Parkway! I don't dare cross it during rush hour, or during any hour these days!	5/10/2021 6:36 PM
1726	Housing less expensive	5/10/2021 6:35 PM

Prince William County - Messaging and Branding

1727	It's cheaper than fairfax and not as racist as loudoun	5/10/2021 6:35 PM
1728	Real Estate affordability & more conservative values overall (than North of River)	5/10/2021 6:35 PM
1729	The strong school division.	5/10/2021 6:35 PM
1730	Taxes aren't too bad	5/10/2021 6:30 PM
1731	Lower cost of living than other areas and proximity to stores/necessities. But honestly I wouldn't recommend it now because the costs of commuting given hot lanes are so high. I never would have bought here if I had known at the time the hot lanes would be put in and what it would cost. It's so wasteful and such a burden on hard working people. I am also very concerned about crime. Even though I live in an expensive and nice area, we've had gunshots fired into houses from the street. There's stories of kids getting shot at high school parking lots. It makes me afraid to raise my child here, and the quality of schools is subpar to fairfax and other nearby counties. The only reason we live here is older family members who live nearby that we need to stay close to to assist in their care.	5/10/2021 6:29 PM
1732	Slightly lower housing cost than communities closer to DC. Good transportation options to DC. Not good to other areas.	5/10/2021 6:28 PM
1733	I wouldn't	5/10/2021 6:26 PM
1734	I would not	5/10/2021 6:25 PM
1735	Housing is a little less then other parts of Virginia or DC, good schools, proximity to Shenandoah, DC, and the coast.	5/10/2021 6:24 PM
1736	The commute isn't bad for the cost of housing.	5/10/2021 6:22 PM
1737	Cost of living lies to consumers	5/10/2021 6:22 PM
1738	I wouldn't. We have enough people already.	5/10/2021 6:22 PM
1739	Close proximity to Fortune 500 companies as well as government job stability.	5/10/2021 6:20 PM
1740	Because the taxes are lower that Fairfax, etc.	5/10/2021 6:19 PM
1741	Real estate value	5/10/2021 6:18 PM
1742	I wouldn't. Taxes too high. Our neighborhood has gone downhill due to people turning single famiky homes into boarding houses and county does nothing	5/10/2021 6:17 PM
1743	Good school options and less expensive than Fairfax County	5/10/2021 6:17 PM
1744	I wouldn't	5/10/2021 6:16 PM
1745	Cost of living	5/10/2021 6:14 PM
1746	Good schools, good weather	5/10/2021 5:09 PM
1747	Convenient	5/10/2021 5:00 PM
1748	It's slightly cheaper than Fairfax and Loudon, is closer than Stafford and Fredericksburg, and is better than commuting to MD.	5/10/2021 4:57 PM
1749	I would not	5/9/2021 12:07 PM
1750	I don't.	5/8/2021 9:20 AM
1751	Best bang for the buck. Tax dollars are well spent. Services are outstanding. GIS tracking of property, roads are maintained, schools thrive and excel, low tax rate, excellent recreational facilities both federal, as well as county. Quiet safe neighborhoods.	5/7/2021 9:39 AM
1752	If the pace of erosion of the protection of our rural communities continues I will not encourage relocation to Prince William County.	5/5/2021 11:35 AM
1753	It's cheaper way cheaper than Fairfax. You can live in a urban setting or a rural setting. There's tons of options	5/4/2021 8:26 AM
1754	Many local amenities, access to the vibrancy of DC and a more affordable housing base.	5/3/2021 6:51 PM
1755	Yes, proximity to DC	5/3/2021 12:21 PM

Prince William County - Messaging and Branding

1756	Housing, nature,	5/2/2021 11:25 AM
1757	PWC offers a myriad of living standards and options.	5/2/2021 8:44 AM
1758	Prince William is safer than most communities and I have more space in my neighborhood.	4/30/2021 10:56 PM
1759	Friendly atmosphere and plenty of good stores.	4/30/2021 10:05 PM
1760	I wouldn't	4/30/2021 5:17 PM
1761	I would not	4/30/2021 5:15 PM
1762	I wouldn't	4/30/2021 3:14 PM
1763	Prince William is not oppressive like Fairfax, or other parts of Northern VA.	4/30/2021 2:08 PM
1764	Affordable housing	4/30/2021 1:56 PM
1765	No	4/30/2021 11:31 AM
1766	N/A	4/30/2021 10:30 AM
1767	I wouldn't.	4/30/2021 9:15 AM
1768	It has less traffic then DC	4/30/2021 7:26 AM
1769	Better than Fairfax.	4/29/2021 9:58 PM
1770	good community, cheaper than other areas.	4/29/2021 9:51 PM
1771	To row on the Occoquan.	4/29/2021 2:52 PM
1772	I encouraged three people to move away just this week. I would discourage anybody I know from moving here.	4/29/2021 1:40 PM
1773	It's in the loop of good economy but very over crowded	4/29/2021 10:55 AM
1774	I would not encourage anyone to move here except for very specific and compelling reasons such as if they had relatives living here. PWC provides increasingly poor educations to its students, especially minority students, and is becoming more lawless, especially on the eastern end, though the western end will clearly follow. Homeless people wander the streets and panhandle more than ever, and the police are losing officers weekly (not surprisingly). We've been here since 1989...this county is becoming very third world, orchestrated by the woke mob now in charge.	4/29/2021 10:37 AM
1775	To be near family if they have them in PWC. Otherwise, I would advise against living in the county, given the extreme focus on building houses upon houses, cutting down our trees and increased traffic, all being part of an effort to pack in as many people as possible to receive additional tax money.	4/29/2021 8:25 AM
1776	No	4/29/2021 8:19 AM
1777	I would not. This county is too expensive for what it offers, and the traffic is abysmal.	4/29/2021 8:08 AM
1778	Safety and ease of access to surrounding areas.	4/29/2021 7:51 AM
1779	accessible to robust job opportunities	4/29/2021 6:13 AM
1780	I would not.	4/28/2021 10:52 PM
1781	I currently would not.	4/28/2021 10:09 PM
1782	Good investment to buy a starter home and start a family as housing prices and education are on the rise.	4/28/2021 9:15 PM
1783	I'm not sure I would.	4/28/2021 8:33 PM
1784	Outskirts of the metropolitan area, lower cost of living.	4/28/2021 6:55 PM
1785	Potomac Mills area provides for a lot of needs.	4/28/2021 4:15 PM
1786	It is changing	4/28/2021 4:00 PM
1787	To have some land but still be in NOVA.	4/28/2021 3:55 PM

Prince William County - Messaging and Branding

1788	No, never.	4/28/2021 3:12 PM
1789	Great Schools,great neighborhoods, safety, more affordable than other counties around, close to everything, ease of carpooling or using mass transit (except metro).	4/28/2021 12:09 PM
1790	I will not recommend PWC to anyone.	4/28/2021 11:05 AM
1791	It is safe and not too city-like	4/28/2021 10:43 AM
1792	I wouldn't. It's a DC suburb, the cost of housing continues to rise and the older generation that pays for those houses will soon retire and the economic impact will be significant and ruin pwc.	4/28/2021 10:35 AM
1793	More affordable housing.	4/28/2021 9:41 AM
1794	Yes	4/28/2021 9:29 AM
1795	NO. TOO MANY PEOPLE ALREADY.	4/27/2021 11:05 PM
1796	I wouldn't encourage someone to move to PWC, the county's long-term prognosis under the current BOCS leadership appears terminal.	4/27/2021 9:55 PM
1797	I wouldn't	4/27/2021 9:31 PM
1798	I would not. The western half of the county is often ignored and is over taxed.	4/27/2021 7:19 PM
1799	I wouldn't. Way too much housing development without supporting infrastructure. Not enough green space.	4/27/2021 5:42 PM
1800	It's close enough to work in DC.	4/27/2021 4:31 PM
1801	I wouldn't right now. We're too close to Washington DC. Our government has been co-opted by leftists which has resulted in poor school polices, ruinous tax increases, a stupid policies.	4/27/2021 4:15 PM
1802	We are growing so fast that infrastructure can't hardly keep up!	4/27/2021 3:48 PM
1803	Cheaper home prices, Potomac mills mall	4/27/2021 3:30 PM
1804	Housing and other items (groceries, gas) is more affordable than counties to the north. It is quiet.	4/27/2021 2:27 PM
1805	I no longer would. The focus/direction of the leaders has changed for the worse.	4/27/2021 2:18 PM
1806	I would never. If I could move, I would.	4/27/2021 2:11 PM
1807	I wouldn't.	4/27/2021 12:53 PM
1808	I would not.	4/27/2021 12:29 PM
1809	Maybe	4/27/2021 11:06 AM
1810	Overall everything you need is here. Great schools, safe neighborhoods and there's jobs here, depending on your skill set. I also love the diversity.	4/27/2021 9:09 AM
1811	Yes	4/27/2021 8:48 AM
1812	The western part of the county has lots of green space and is a great place for families.	4/27/2021 6:40 AM
1813	Yes, depending on where they currently live	4/27/2021 6:39 AM
1814	I wouldn't other than the price of housing is cheaper in comparison to Fairfax or up	4/27/2021 1:12 AM
1815	Note home for the money.	4/27/2021 12:39 AM
1816	Cheaper than Fairfax. Use to be smarter than Fairfax.	4/26/2021 11:49 PM
1817	Access to stores and schools	4/26/2021 11:01 PM
1818	I wouldn't.	4/26/2021 10:41 PM
1819	Not the supervisors. Very narrow outlook. Ann Wheeler is very shallow.	4/26/2021 10:19 PM
1820	Close to work but not too close	4/26/2021 9:50 PM
1821	Don't live in a congested community. We offer a more relaxed, rural environment.	4/26/2021 9:48 PM

Prince William County - Messaging and Branding

1822	There is so much to do within the county and the traffic isn't terrible yet.	4/26/2021 8:54 PM
1823	I wouldn't	4/26/2021 8:28 PM
1824	I wouldn't	4/26/2021 8:23 PM
1825	I wouldn't. Taxes are too high, roads are trash, the school/education system is a colossal joke.	4/26/2021 7:48 PM
1826	Close proximity to mountains and Washington DC and all it has to offer. Schools are ok. Honestly it would be a tough sell. Not much to offer. Maybe a new family would like to move to the Gainesville Haymarket area. Newer.	4/26/2021 7:39 PM
1827	You can be very close to commercial centers and still feel that you live in a rural area.	4/26/2021 7:08 PM
1828	The Rural Crescent	4/26/2021 7:05 PM
1829	The rural crescent	4/26/2021 6:55 PM
1830	Access to Natural areas, DC, and affordable neighborhoods.	4/26/2021 6:00 PM
1831	Open spaces in rural crescent	4/26/2021 5:57 PM
1832	History, diversity, activities, fun.	4/26/2021 5:54 PM
1833	I would not recommend anyone move here and would encourage others to leave.	4/26/2021 5:51 PM
1834	It's cheaper than Fairfax but still has similar features.	4/26/2021 5:49 PM
1835	I wouldn't. Ann has turned this county into a cesspool. None of my friends and family have ever discussed moving from the county. Now every one of us is selling our home to move from this once great county. It's terribly sad to see what a mess it has become.	4/26/2021 5:42 PM
1836	Nope	4/26/2021 4:36 PM
1837	I would not	4/26/2021 3:37 PM
1838	Access to nature	4/26/2021 2:56 PM
1839	decent overall living w/job opportunities	4/26/2021 2:29 PM
1840	Cheaper than Arlington	4/26/2021 1:43 PM
1841	I wouldn't. I am looking to eventually move. I don't like rising taxes and how crowded the housing is becoming.	4/26/2021 1:00 PM
1842	Moved if looking for a calm environment. Life is not as stressful compared to the counties close to DC.	4/26/2021 12:51 PM
1843	If housing was more affordable but not until then	4/26/2021 12:34 PM
1844	Yes, Western End	4/26/2021 12:02 PM
1845	At least it's not Fairfax.	4/26/2021 11:38 AM
1846	Great second option to Fairfax	4/26/2021 11:19 AM
1847	No. For the above reason. And did I mention taxes? Keep the Biden Vegetables coming.	4/26/2021 10:19 AM
1848	It has a lower cost of living than other Northern Virginia counties.	4/26/2021 9:54 AM
1849	love it here	4/26/2021 9:33 AM
1850	slightly lower taxes Fairfax	4/26/2021 9:30 AM
1851	I wouldn't.	4/26/2021 9:02 AM
1852	No	4/26/2021 8:57 AM
1853	Depends on the above	4/26/2021 8:53 AM
1854	The county school system provides great programs for children of all ages.	4/26/2021 8:51 AM
1855	I wouldn't...	4/26/2021 8:47 AM
1856	I would not.	4/26/2021 8:42 AM

Prince William County - Messaging and Branding

1857	Buying a house here used to be cheaper than the counties closer to DC. And there are some good schools here.	4/26/2021 7:45 AM
1858	Not anymore, raising taxes every year like if everyone had guaranteed pay from the federal government.	4/26/2021 7:23 AM
1859	No this county leaders are more worries about what ever woke cause the democrat party tells them to instead of improving the county	4/26/2021 4:45 AM
1860	Cheaper than fairfax, well it used to be	4/25/2021 10:34 PM
1861	I wouldn't unless it was as far west as possible.	4/25/2021 10:17 PM
1862	Yes	4/25/2021 10:13 PM
1863	Friendly nature of the people	4/25/2021 9:41 PM
1864	The diversity-safe place to live-excellent school system	4/25/2021 9:35 PM
1865	Affordable, with open spaces	4/25/2021 9:22 PM
1866	I would encourage someone to move from, not to, PWC.	4/25/2021 9:19 PM
1867	Schools	4/25/2021 9:01 PM
1868	Good neighborhoods, access to metropolitan areas	4/25/2021 8:39 PM
1869	I wouldn't	4/25/2021 8:38 PM
1870	I wouldn't. This place is overcrowded as it is.	4/25/2021 8:17 PM
1871	I wouldn't go south to Fredericksburg area or even down to Caroline or west to the Culpepper, front royal areas.	4/25/2021 8:12 PM
1872	I wouldn't.	4/25/2021 8:10 PM
1873	I won't and don't	4/25/2021 7:59 PM
1874	Affordable lifestyle compared to other counties, convenience, lower population density than Fairfax	4/25/2021 7:35 PM
1875	It's one of the cheaper places in the area that provides a nice place to live	4/25/2021 7:26 PM
1876	I wouldn't.	4/25/2021 7:18 PM
1877	More space than Fairfax County.	4/25/2021 6:52 PM
1878	I won't encourage anyone if the Density of housing growth & traffic congestion continue.	4/25/2021 6:32 PM
1879	No.	4/25/2021 5:46 PM
1880	I wouldn't.	4/25/2021 4:36 PM
1881	Houses are cheaper than Fairfax and has a little less traffic than Fairfax CO	4/25/2021 4:31 PM
1882	I wouldn't lol	4/25/2021 4:28 PM
1883	I wouldn't if the senseless gutting of rural areas and trees disappear	4/25/2021 4:05 PM
1884	I wouldn't - not enough infrastructure to support the # of people already living here; too many mass-produced homes built shoddily without care of the health & safety (read: water intrusion, mold, mycotoxins)	4/25/2021 3:58 PM
1885	I wouldn't.	4/25/2021 3:47 PM
1886	Under the current political environment, I would not. In fighting, addressing petty issues. Good grief.	4/25/2021 3:44 PM
1887	It ia not Fairfax County.	4/25/2021 3:39 PM
1888	I don't. I myself will have to sell and move soon due to property taxes being more than my mortgage. Car tax being more than the value if my car	4/25/2021 3:38 PM
1889	same reasons listed above	4/25/2021 3:37 PM

Prince William County - Messaging and Branding

1890	Lower property prices and gas	4/25/2021 3:32 PM
1891	Cost of living	4/25/2021 2:28 PM
1892	Location and more affordable then Fairfax/loudoun	4/25/2021 2:03 PM
1893	because we are affordable but not too far away from airports and medical facilities	4/25/2021 1:50 PM
1894	Only if it continues to back the BLUE>	4/25/2021 1:17 PM
1895	I would not!	4/25/2021 1:10 PM
1896	It's not DC or Maryland.	4/25/2021 1:09 PM

1903	Nice homes	4/25/2021 10:53 AM
1904	I wouldn't encourage anyone to move to PWC. The current Board of Supervisors do not care about the people and are making decisions that will.destroy the County.	4/25/2021 10:45 AM
1905	peaceful and good community	4/25/2021 10:45 AM
1906	I probably wouldn't. Maybe if they hated living further east and wanted to come out further to PWC, I might encourage certain areas. You get more bang for you buck in PWC than say Fairfax. But it also makes for a longer commute. I doubt I would encourage anyone outside of the DMV to move to NOVA to PWC.	4/25/2021 10:22 AM
1907	Other than it is probably less expensive than the counties closer to D.C., and certainly is safer in comparison, not sure . Pr. Wm. seems to be transcending to a higher cost for housing and living.	4/25/2021 10:14 AM
1908	Our outdoor spaces. So stop fucking this up	4/25/2021 9:20 AM

2128	I wouldn't. I left in December 2020 and moved to SC.	4/22/2021 5:48 PM
2129	I wouldn't at this time	4/22/2021 5:42 PM
2130	Housing prices are still acceptable.	4/22/2021 5:28 PM
2131	Proximity to the DC/ Metro area which is expanding outward.	4/22/2021 5:26 PM
2132	It is relatively peaceful.	4/22/2021 5:23 PM
2133	Not sure. Depends on why they wanted to move here.	4/22/2021 5:16 PM
2134	Not sure I would	4/22/2021 5:01 PM
2135	Cost of real estate is lower than in locales closer to DC. School system is strong and taxes are reasonable - for now at least.	4/22/2021 4:56 PM
2136	Absolutely not. I encourage everyone to stay out of VA.	4/22/2021 4:53 PM
2137	I do not at this time. Current BOD mentality is to sell out to developers while raising taxes during the pandemic. Over spending on theory while funding political check list from inside the beltway.	4/22/2021 4:50 PM
2138	I am not sure.	4/22/2021 4:49 PM
2139	I would only recommend for certain parts of the county. The only reason would be the cost of living (housing) is still less than ffx.	4/22/2021 4:47 PM
2140	Cost of living is pretty good for NoVa. Good schools. Diverse population. Mostly tolerant/inclusive culture. Awesome Old Town area in Manassas and Occaquan.	4/22/2021 4:40 PM
2141	Access to mass transit if commuting up north for work	4/22/2021 4:34 PM
2142	I wouldn't	4/22/2021 4:24 PM
2143	I would not	4/22/2021 4:23 PM

2149	NO - not with the current administration	4/22/2021 4:10 PM
2150	We have a lot to offer which includes embracing cultural diversity, appreciating our differences, working together to achieve harmonious living. This approach will assure we all win.	4/22/2021 4:10 PM
2151	Proximity to DC	4/22/2021 3:59 PM
2152	Prince William County was a great place to live when I first moved here in 2003. Now it is too	4/22/2021 3:58 PM

	overcrowded and our illegal population makes it a very unsafe place in some areas. I am planning on moving this year.	
2153	I would no longer encourage anyone to move here.	4/22/2021 3:52 PM
2154	Yes	4/22/2021 3:49 PM
2155	no	4/22/2021 3:26 PM
2156	Smaller crowds than some of the other neighboring counties, more land/Treescape, and a friendly/fair police force	4/22/2021 3:24 PM
2157	Parks and quaint locations and arts	4/22/2021 3:18 PM
2158	Not sure I would. I might tell them Fauquier or Loudoun. They seem to be more willing to stand firm on land use. They are opposed to turning their counties into Fairfax like our leadership is doing.	4/22/2021 3:15 PM
2159	Yes.	4/22/2021 3:12 PM
2160	Good school system.	4/22/2021 3:11 PM
2161	Cheaper than Fairfax, much nicer looking; great schools, at the edge of the suburbs (easy access to nature trails, parks, etc.)	4/22/2021 3:08 PM
2162	Not too crowded.	4/22/2021 3:02 PM
2163	possibly. Traffic is getting worse though	4/22/2021 2:59 PM
2164	People are friendly, there are adequate stores for maintaining a family; it is close enough to DC and other historic and significant events/sites to broaden one's knowledge of and appreciation for our national history.	4/22/2021 2:57 PM
2165	Less expensive than Fairfax or Loudon Counties but still just as close to a lot of all that NoVa has to offer. Has all the commerce you could ever want plus lots of beautiful trees and parks to go to.	4/22/2021 2:53 PM
2166	Yes	4/22/2021 2:50 PM

2175	There are friendly people, much to see and do, and no matter who you are, there is a place for you to enjoy, live, and succeed in life.	4/22/2021 2:39 PM
2176	Unfortunately, I would not encourage someone to move here. The County Board of Supervisors is "woke" and doesn't seem to care about anything but "diversity and inclusion" - not the main concern of most residents.	4/22/2021 2:37 PM
2177	The people, schools, close to DC metropolitan area.	4/22/2021 2:36 PM
2178	The only reason to move to the county is the cost of housing. However the quality of the housing is not great and transportation is HORRIBLE and there is NO night life (live entertainment with nice venues)	4/22/2021 2:36 PM
2179	Yes if they can't afford Fairfax or London county.	4/22/2021 2:34 PM
2180	Diversity and the freedom of speech County wide, being a central location close to metro area	4/22/2021 2:34 PM

2182	I do not recommend PWC	4/22/2021 2:31 PM
2183	It depends on where they are moving from. I would not encourage someone to move from Fairfax, but would encourage someone to move from Stafford	4/22/2021 2:28 PM
2184	No but I would not discourage them either.	4/22/2021 2:28 PM
2185	Our neighborhoods are nice for families. The prices are more reasonable for housing for families than our northern neighboring counties. I feel that we're starting to climb higher and trying to draw our northern neighbors down here, who think \$900K is cheap for a home. \$900K prices out the locals in this area, who work in this area. They're trying to sell to those coming south for more space, but keep building in the small area plans and that's still not enough. The county won't be happy until every inch of this county is filled with sprawl and stripmalls. It's rare to find a rental for less than \$1200-1800 a month for a young professional and easily \$2500-3600 for a home rental. Young people don't want to be living in someone's basement after working a full week and bringing home their paycheck. They shouldn't have to work 2-3 jobs to afford to live here. I would tell them the Rec. Centers, libraries and their services are great..but again need to keep up with the population in the Western corridor and Mid-County Rec. Center is long overdue. I would not encourage young people to live here. There isn't much for them. There isn't much nightlife, or central hubs where they can live, work and play. There isn't many opportunities for advanced education except through NVCC and Biology Dept for GMU and ECPI and Strayer University. PWC has developed around driving. There isn't even a side walk from Garfield HS to the Potomac Mills across the street. It's almost as if we don't like young people or consider their desires. There aren't ATF places to ride 4 wheelers, or ropes courses, or paintball, and other things that teens and young adults like to do. We do have nice wineries and breweries, though, just a handful. We have an AG-tourism businesses that are growing and the rural area is attracting more. There are farms with riding lessons, horse stables, beef cattle, chickens, eggs, flowers, honey, therapeutic farming. We have areas to hike, canoe, boating, but they could be improved with simple amenities like restrooms.	4/22/2021 2:28 PM
2186	Yes, close to DC and Quantico for work but with less of a city feel and outdoor space.	4/22/2021 2:22 PM
2187	Safe environment.	4/22/2021 2:22 PM
2188	Close enough to DC but more affordable. Lots to see and do no matter your interest	4/22/2021 2:17 PM
2189	I would not, including my own family members. Poor to nil planning for sustainable living. Only outlook in all the years Sine I moved here had been to build more houses and pave more roads so new residents can drive somewhere else to work and recreate.	4/22/2021 2:15 PM
2190	All of the above... school system, libraries, parks, housing, jobs...	4/22/2021 2:14 PM

2196	Less expensive	4/22/2021 2:04 PM
2197	Family friendly....access to various activities.	4/22/2021 2:03 PM
2198	No. Too much building as it is along with some of the worst traffic in the entire country. I know the traditional mantra is build and tax or stagnate but that should be re-thought in terms of quality of life and long term viability.	4/22/2021 1:59 PM

2205	In theory, it is less expensive than Fairfax County and by comparison to Loudin Country provides easier access to downtown DC.	4/22/2021 1:53 PM

Q7 What makes Prince William County different from the neighboring counties?

Answered: 2,088 Skipped: 2,877

#	RESPONSES	DATE
1	Prince William County is evolving as has been shown by the recent change from a predominantly Republican Board of Supervisors to a predominantly Democratic Board. This generally means that the local government is trying to be more inclusive, and trying to re-evaluate how to better support its citizens. Unlike counties closer to DC this process is relatively new, or at least the ability to actually pursue these options as opposed to having them summarily shut down.	5/31/2021 9:47 PM
2	Not so dense	5/31/2021 5:04 PM
3	Still have open space that is being preserved.	5/31/2021 4:57 PM

6	It has a rural crescent.	5/29/2021 11:16 AM
7	We have a bit of everything. And unlike. Fairfax county we still have land. I do not want to turn our county into that. I want to protect our rural crescent.	5/29/2021 11:00 AM
8	We used to have a more rural, country feel but no more with all the development.	5/28/2021 5:38 PM

293	Lack of shopping, dining, and activities. Everyone is not interested in burger joints, donuts, and fast food. Some of us prefer upscale dining experiences.	5/13/2021 2:39 PM
294	It used to be cost of living as pertaining to other counties however that gap is no longer as much as an incentive.	5/13/2021 2:33 PM
295	Diversity and sense of community.	5/13/2021 2:32 PM
296	No place place to go for date nights and walk around on the Western end like there is on Eastern end like Potomac mills or Fairfax shopping areas. We don't really have walking outdoor plazas. Virginia Gateway is too small and you can't walk the whole complex. The theatre is too far from Atlas Walk.	5/13/2021 2:31 PM

389	It's not as overcrowded or expensive as the other counties in NOVA. There are multiple entry points into the housing market for people of all economic levels.	5/13/2021 10:10 AM
390	Soon it won't differ from a place like Fairfax at all, population and commercial development density will be too great for PWC to be affordable to the average person as property values exceed the incomes of the average individual. Dual income no kids will become a requirement rather than a choice for living in NOVA.	5/13/2021 10:08 AM

407	Fairfax has all the events, better education, more cultural diversity, better shopping, etc. Loudon has better schools, nicer neighborhoods, and more employers. Prince William is kind	5/13/2021 9:26 AM

of like the less popular step-child that people settle on.

408	We do not have the crime that some of our neighboring counties and jurisdictions to the east have. Public transportation is more challenging in PWC--particularly for commuters into DC. We are comparable to Loudon in that respect, but less desirable than Fairfax and Arlington.	5/13/2021 9:24 AM

730	Located close to DC	5/12/2021 8:58 PM
731	There doesn't seem to be a major metropolitan hub/downtown area - shopping, businesses etc are spread out in no particular design/order.	5/12/2021 8:58 PM
732	New developments and family friendly neighborhood	5/12/2021 8:57 PM
733	Currently, we have a nice amount of green space and parks. However, I see that ending if the county's leaders don't reign in the building.	5/12/2021 8:56 PM
734	friendly, inclusive, good mix of rural and urban areas	5/12/2021 8:54 PM
735	Prince William used to be less expensive but not much anymore. The density of housing on the eastern side of the county is unbelievable and while I do think the rural crescent is just an attempt to limit people I can see why people would not want to replicate what they see in the east. Incredibly dense housing and strip malls with cheap stores.	5/12/2021 8:54 PM
736	Wasting money on rebranding. Nothing better to spend our tax dollars on?!?	5/12/2021 8:54 PM
737	Good shopping and dining	5/12/2021 8:53 PM

742	Not much	5/12/2021 8:51 PM
743	The lack of metro stations and bad traffic because of poor road planning. Churches and bad retail on every other block taking up much needed space for schools and social services.	5/12/2021 8:51 PM
744	Easier access to grocery and daily needs than in other areas	5/12/2021 8:50 PM

750	More scenic.	5/12/2021 8:47 PM
751	Less traffic congestion and high density housing. The rural crescent has kept the western end of the county much less crowded and more beautiful than it would be without it.	5/12/2021 8:47 PM
752	Do not have feeling either way for this question.	5/12/2021 8:43 PM
753	Lack of everything..	5/12/2021 8:40 PM

755	It's a little less overcrowded and expensive	5/12/2021 8:40 PM
756	Not as congested. But new crowded townhome neighborhoods with little/no green areas and tight streets (Cannon Branch) do not fit in with the PWC lifestyle or look.	5/12/2021 8:40 PM

817	It's hard to tell anymore. Prince William County is beginning to adopt the same failed policies that adjacent counties have adopted, contributing to exorbitant taxes, high crime rates, and an atmosphere of social fear brought about by the unscientific ramblings of elected officials and social justice extremists.	5/12/2021 8:01 PM

881	PWC is one of the wealthiest counties in the country but the elected officials don't seem to understand this. Reference 1 - https://www.foxbusiness.com/money/washington-dc-suburbs-richest-counties Reference 2 - https://www.insidenova.com/news/prince_william/haymarket-is-wealthiest-zip-code-in-prince-william-county/article_a02b5508-c5ee-11e9-bac7-8f1b80727aa0.html There appears to be zero understanding of having 5-10-15 year plans for keeping the VAST wealth in this county spent in this county. PWC parkway is a perfect example. Private investment spent a lot of fund to build the 2-silos complex and it is surrounded by data centers. Less than 60 minutes away we have Mosaic District in Fairfax and One Loudoun where there is clear understanding that boutique living with local dining is a huge attraction. Similar problem in old town Manassas. Similar problem in Haymarket. Gainesville almost has it right with VA Gateway but the residential is just out of range off Linton Hall and Limestone. PWC appears to have zero identity for attracting LOCAL dollars let alone neighboring or WMA dollars. Here's a EASY concept. Figure out a way to create a better version of the W&OD trail that isn't under power lines. Incentivize food services by providing a series of seating areas where food trucks can serve. Incentivize some bike rental options so casual riders can visit with little effort.	5/12/2021 7:25 PM

893	As I said it above, it is diverse.	5/12/2021 7:17 PM
894	Your schools aren't as good as Fairfax or Loudon. Specialty programs are good, but you're spending huge amounts of time and money bussing these kids all over the county rather than improving the schools overall. You drive away big business, your retail leasing space is more expensive than Fairfax and doesn't draw the types of business that it should considering it's location. Housing projects are not well thought out when it comes to infrastructure. It's like the wild-west and the BOC approves any new developer without much thought to the long term viability of the county.	5/12/2021 7:17 PM
895	Less crowded and more manicured.	5/12/2021 7:17 PM

1001	It's a community that you want to raise your kids in. It's peaceful, law enforcement is respected and there is always something to do.	5/12/2021 6:33 PM
1002	I would have to say PWC is different from surrounding counties because it does not grow in a positive direction. It has become overcrowded and doesn't aspire to be more appealing in any manner. The constant strip malls with one more grocery store and mattress retail center. There is never anything unique to be presented.	5/12/2021 6:33 PM
1003	Not much.	5/12/2021 6:33 PM

1013	It was innovative when we first moved here from Fairfax County 20 years ago. I am a native Northern Virginian and will be moving out of here. The Board of Supervisors and the PWC Government do not listen to the people. They are in it for their well being and their pockets. I am absolutely disgusted.	5/12/2021 6:31 PM

Aside from that, I like that we're country that's mixed with rural elements and urban elements. If you drive just a few minutes West or South of where I am, you can hit farm land or a retail outlet. Unfortunately, the way things are going, I see much of our urban land going away. PWC should have ceased with residential expansion. Preparing for overcrowding, now...	5/12/2021 5:54 PM

1175	They are working to destroy the county to attract Fairfax and arlington residents. They should be making great non city living available for everyone. If you look at Woodbridge and Dale city you could not have designed a denser cluster of homes	5/12/2021 5:54 PM

1243	Cost of living, less crowded for residential (positive). Commuter services terrible (need more VRE trains that go faster, at least 3x frequency for commuter buses) to make up for being this far out. Also important public services like libraries are grossly underfunded compared to Fairfax or Loudoun.	5/12/2021 5:40 PM

1247	We don't have that nonsense like up in Loudon County schools	5/12/2021 5:39 PM
1248	It should be the land preservation... but even that is in jeopardy! PWC is what the politicians make it. I don't even think PWC has a current brand.	5/12/2021 5:39 PM
1249	Unfortunately, I think there is a stigma to living in PWC, like it's somehow less "cultured" than some other counties, but I feel like it has more open space, especially western PWC, and I hope it stays that way	5/12/2021 5:39 PM
1250	Again used to be a open, country feeling that many people left counties like Fairfax to enjoy.	5/12/2021 5:39 PM
1251	more acreage between residents	5/12/2021 5:39 PM

1264	We have a government sponsored business trial plan where people that want to start restaurants/other business can all gather in a government subsidized market place where they pay very little to test out their businesses. If it works their business can graduate and become an awesome shop/restaurant. If they fail well at least they don't risk losing hundreds thousands of dollars. It's a win win for everyone. Wait that not here? Well it should be. If consider at least give me credit for it (wink wink).	5/12/2021 5:37 PM

Prince William County - Messaging and Branding

1265	The county is extremely poor in the eastern part of the county and wealthy in the west. It is like it is cut in half. Parts of Manassas and Woodbridge are extremely dangerous and lack adequate infrastructure and safe schools. Also, the only peaceful area of the county, the rural areas, are disappearing.	5/12/2021 5:37 PM
1266	PWC is a very nice place to settle down, but it's still lacking behind Fairfax County and Alexandria in terms of schools and attractions. There aren't enough restaurants and boutique stores in the area. Some of the better restaurants have already closed. Most of the shopping and places to eat are large chains. It would be nice to see small business have a larger footprint, like Old Town Alexandria with some higher end shopping options like in Tysons Corner; the Leesburg Outlet is a good example of what Potomac Mills should strive to be. On a positive note, I love that PWC is much more diverse than some of the other counties. I also like that PWC doesn't feel so overcrowded (yet).	5/12/2021 5:37 PM
1267	Nothing - I believe it's behind Fairfax & Loudoun	5/12/2021 5:36 PM
1268	Our county is the only county that has urban and rural parts	5/12/2021 5:36 PM
1269	Our taxes are much higher!!	5/12/2021 5:36 PM
1270	The county invests a lot into trying to keep up with top performing counties. I would caution that too many data centers and lab spaces will create a less ideal view and cause a more industrial unappealing viewpoint.	5/12/2021 5:36 PM
1271	lack of diversity in certain areas	5/12/2021 5:35 PM
1272	More affordable, more open space. It's congested on 95, but once you're in the county it's ok most of the time.	5/12/2021 5:35 PM

1276	Lower taxes, affordable homes	5/12/2021 5:34 PM
1277	The school system is very well organized.	5/12/2021 5:34 PM
1278	We HAD a lot more "elbow room" but traffic and congestion are getting too bad here. Maybe time to move.	5/12/2021 5:34 PM
1279	Losing our rural traditions	5/12/2021 5:34 PM
1280	It has a rural character that is different from Fairfax, and it offers several urban centers (Manassas and Woodbridge) unlike Loudoun (Leesburg); it also has a lot more access to innovative employers (unlike counties to the south and west)	5/12/2021 5:34 PM
1281	I moved here because it used to be less crowded, more open, but that is changing with all the building going on so we're not much different than Fairfax or the other counties.	5/12/2021 5:34 PM
1282	La seguridad i la tranquilidad que proposiona es buena	5/12/2021 5:34 PM

1285	Tax rate does not support growth plan	5/12/2021 5:33 PM
1286	If you are far left liberal then you would love it here. Political warfare is their game. Critical Race Theory is what they are pushing and the school system is going downhill.	5/12/2021 5:33 PM
1287	Not really sure	5/12/2021 5:33 PM
1288	It's people. There are a lot of people who have been here all their lives. These people still work here or are somewhat active in our community. We need to care for them too and bring everyone together.	5/12/2021 5:33 PM
1289	It is a huge county where there are still a lot of greenery in the area	5/12/2021 5:33 PM
1290	It's high crime rates	5/12/2021 5:32 PM

Prince William County - Messaging and Branding

1291	We have too many hispanic families that are illegal. The county needs to identify these families and have them be accountable for either gaining legal status or leaving and going back to where they came from.	5/12/2021 5:32 PM
1292	It is on the east coast	5/12/2021 5:32 PM
1293	Over taxed with nothing to show for it other than more traffic more congestion and more riff raff trailer and ghetto trash who have no clue about the golden rule or common sense.	5/12/2021 5:32 PM
1294	I would say there is more land and less crowding.	5/12/2021 5:32 PM

1299	PW has significantly lower-quality educational opportunities than Fairfax County. PW has Significantly worse development plans than Loudoun County. PW also appears to have no insert in enforcing existing zoning laws. The drug bust up the street was exciting but not the kind of activity that attracts new neighbors.	5/12/2021 5:32 PM

1477	Prince William County has had poor leadership for decades, and now we are on the cusp of true progress that can move the county forward for generations to come. PWC is different because it's not where it needs to be yet, but we as residents have a say in building the thriving community we all desire.	5/11/2021 12:48 PM
1478	We have not developed a business friendly culture here except for retail. Fairfax and the counties to the north have taken the lead in business development -- we have over developed high density housing.	5/11/2021 12:29 PM
1479	We still have some neighborhoods with homes that are not so densely packed that children can move around.	5/11/2021 12:13 PM
1480	Lower housing costs--less attractive than Loudoun County or Fairfax County for education, entertainment, retail, recreation, infrastructure, etc.	5/11/2021 11:30 AM
1481	Less expensive housing than Fairfax county	5/11/2021 11:09 AM
1482	housing stock is cheaper	5/11/2021 11:01 AM
1483	More of the old Virginia feel without its bad legacy of discrimination, although there is still work to be done -- peacefully.	5/11/2021 10:51 AM
1484	The County appears to truly care about its residents, and tries to be inclusive. No games; no politics; just a focus on the needs of its residents.	5/11/2021 10:38 AM
1485	There is no real "identity" for Prince William County. You can see by the representatives the people elect to represent them. They reflect the people they serve. Prince William County is divided into multiple communities and neighborhoods. Within the neighborhoods you will find shared interests and people band together to protect their small part of the county. Anyone or anything that threatens that neighborhood is demonized. From the Board of Supervisors down to the neighborhood HOAs to the residents, there is little shared interest or perspective of Prince William County as one 'place.' We are divided into little fiefdoms across the county all fighting to keep control of our small areas regardless of impact to anyone else in the county.	5/11/2021 10:37 AM
1486	Not much. Unfortunately each year PWC becomes more like Fairfax, Arlington & Alexandria.	5/11/2021 10:22 AM

1498	I lived briefly, many years ago, in Arlington and that does not compare to the PWC of 50 years ago. We do have some nice parks, great libraries, aquatics facilities, and some culture, i.e. the Hylton Center as part of the George Mason Manassas campus.	5/11/2021 8:28 AM

1505	I think it is inspired by Fairfax and Loudon but doesn't compare at times where there is nicer and more options in those counties.	5/11/2021 7:11 AM
1506	Not over crowded like Fairfax and not too rural like Fauqueir, and not too expensive like Loudon. Just perfect!	5/11/2021 6:54 AM

1509	It is not as densely populated as Fairfax, but better access to utilities and services than Stafford.	5/11/2021 6:09 AM
1510	It used to be that it was a smaller community with mostly homes but with all the townhouses jammed together it is becoming more and more like all other communities. Too crowded.	5/11/2021 5:58 AM
1511	It's no longer different; it's just like Fairfax County now. Tax and spend.	5/11/2021 5:53 AM
1512	Depends on which direction you turn, which neighbor you refer to. We are a county that is divided politically similarly the counties around us have different political choices.	5/11/2021 3:27 AM
1513	Prince William County is one of the biggest counties in the state with lots of jobs, housing, schools, healthcare, etc.	5/11/2021 1:09 AM
1514	Still time to save green spaces and build out community services to make it a great place to live	5/11/2021 12:10 AM

Prince William County - Messaging and Branding

1525	Policies	5/10/2021 9:26 PM
1526	Diversity,	5/10/2021 9:21 PM
1527	It appears to be regressing and losing it's focus on being a livable community that provides value to it's residents. The other neighboring counties all seem to be doing a better job, at lower cost to their residents!	5/10/2021 9:11 PM
1528	It's not hugely different other than moving easy and west across the county is a major hassle and property values are majorly depressed versus Fairfax.	5/10/2021 9:08 PM
1529	I would say we have outstanding law enforcement. Both PWC Police and Sherrif Dept. are better than surrounding counties. Unfortunately, the decision not to cooperate with ICE is big disappointment. PWC continued to cooperate for years after surrounding counties became sanctuary counties. This changed when the PWC Board of Supervisors changed political party. So very disappointed.	5/10/2021 9:06 PM
1530	Slower pace of life, but I do not feel that is a good thing. Its slower because of a lack of employers, sports events, etc. I have said for over two decades that Prince William must decide if it wants to emulate Fairfax or Fauquier. There's nothing wrong with 10 acre lots where folks can have chickens and shoot guns all evening but it will not bring the County the high tech, high salaried, Amazon, Apple, Microsoft crowd that seems to stop in Arlington. I realize PWC can never have that proximity to the DC but the BOCS MUST determine now if the County is willing to grow into a much larger, much more urban County with ACCESS TO METRO. Without adequate transportation options, PWC will always be a bedroom community, much more similar to Fauquier than Fairfax. Thus PWC is known for outdoor activities not sports events, and multiple entertainment venues. Jiffy Lube or whatever it is now, is fabulous to have in the County. But it does not take the place of having other smaller venues throughout. Hylton Center is nice but seems to cater to a narrow crowd.	5/10/2021 9:06 PM
1531	It seems more inclusive and progressive	5/10/2021 9:00 PM
1532	It's too progressive and liberal than the better conservative counties.	5/10/2021 8:57 PM
1533	The Rural Crescent	5/10/2021 8:51 PM

1535	Diversity	5/10/2021 8:33 PM
1536	It has such a wide variety of rural land to choose from, has parks for every member of the family, has decently funded public amenities. It still remains decently rural in some areas -- refreshingly different from the increasingly crowded and HOA-hounded Fairfax county.	5/10/2021 8:33 PM
1537	As mentioned before, it seems stores, medical facilities, etc. are strategicly placed and theres a variety of everything. Someone truly planned it out.	5/10/2021 8:26 PM
1538	We still have some very beautiful rural area's and beautiful suburb area's	5/10/2021 8:18 PM
1539	Lack of caring from government officials	5/10/2021 8:15 PM

1541	Less crowded than Fairfax. More things than Fauquier.	5/10/2021 8:00 PM
1542	Less expensive housing than Fairfax county, longer commuting time to DC, less trail to walk and bike etc	5/10/2021 7:53 PM
1543	More pragmatic than radical Fairfax, more progressive than Loudoun, just the right balance of fairness and freedom.	5/10/2021 7:50 PM

1571	Well, our schools were the only ones who went back in (PWCS). SPED was back in at the beg. of the school year, Sept 2020, then kinder (hybrid) returned beg. Nov. (so did I because I am a specialist and teach K-5), then first grade (hybrid) returned beg. Nov. 2020. Second and third grade (hybrid) returned on Jan. 12, 2021, and finally 4th & 5th grade returned Jan. 26, 2021! Fairfax County attempted to go back in Feb. and then postponed it. Loudoun County also went back after us.	5/10/2021 6:36 PM

1577	Cost of living is generally lower. However, the board seems interested in changing that in terms of taxes.	5/10/2021 6:26 PM
1578	The low pay and It's too expensive to purchase a home if you are single. One would think living in NOVA the pay would account for the cost of living. I and others I know are seeking either employment elsewhere or to purchase a home outside of PWC.	5/10/2021 6:25 PM

1599	Close enough to DC to enjoy but far enough where you can enjoy nature	5/2/2021 11:25 AM
1600	It has the proximity to DC and Fairfax for jobs and entertainment without the crowd and expsens.	5/2/2021 8:44 AM

1604	It was good 4 years ago, now the same as fairfax.....	4/30/2021 5:17 PM

Prince William County - Messaging and Branding

1613	It has bigger cities but yet a small town feeling. Not as busy/fast passed. Cute historical areas	4/29/2021 9:51 PM
1614	Less dense...for now.	4/29/2021 2:52 PM
1615	Nothing. You are all the same now.	4/29/2021 1:40 PM
1616	It's the center of neighboring counties that also have a good economy	4/29/2021 10:55 AM
1617	We might be going downhill even faster, especially the school division, which is constantly engaging in self-aggrandizing fluff instead of actually doing the hard work of educating ALL students. Indoctrination is obviously much easier.	4/29/2021 10:37 AM
1618	The traffic.	4/29/2021 8:25 AM
1619	You used to stand for rights of everyone even before it was popular. A well balanced and diverse county even before it was popular. Now it feels like it's is meeting an agenda more than keeping an infrastructure advancing	4/29/2021 8:19 AM
1620	It's less expensive that Fairfax and Loudon but more expensive than Stafford. Prince William also has beautiful natural and historical spaces that need to be preserved.	4/29/2021 8:08 AM
1621	Maintains a balance of suburban and rural areas.	4/29/2021 7:51 AM
1622	it lacks wineries, breweries, wedding venues, entertainment	4/29/2021 7:19 AM
1623	Roads are worst, neighborhood expansion is haphazard and community development has no planning of sustainability for growth . We lack (upscale) shopping centers	4/29/2021 6:13 AM
1624	Economic class. Infrastructure. Quality of life.	4/28/2021 10:52 PM
1625	Its the same as the other counties in NOVA	4/28/2021 10:09 PM
1626	Fair housing stock and prices, though they are growing (7%).	4/28/2021 9:15 PM
1627	Its rapid housing growth.	4/28/2021 8:33 PM
1628	It's the ugly belly-button.	4/28/2021 6:55 PM

1630	Diversity	4/28/2021 4:00 PM
1631	Nature	4/28/2021 3:55 PM
1632	It does suck less than some of the other counties	4/28/2021 3:12 PM
1633	It's near everything without being in the middle of the hassle and bustle. Provides a more affordable option without lacking in safety or quality of living.	4/28/2021 12:09 PM
1634	Higher taxes.	4/28/2021 11:05 AM
1635	It has more outdoor space and it is a little more sane than some of the surrounding areas.	4/28/2021 10:43 AM
1636	Way overpriced, taxes are a joke, county doesn't fix anything and you're wasting our money. Provides nothing to the future.	4/28/2021 10:35 AM
1637	More affordable housing.	4/28/2021 9:41 AM
1638	Originally it's because of lower cost of living while not being too far from DC. Now it looks like the cost of living here is getting higher than Fairfax County. Also, diversity makes this county more appealing to me.	4/28/2021 9:29 AM
1639	still has little books tourists dont know about. Stop building.	4/27/2021 11:05 PM
1640	The Rural Crescent. Manassas National Battlefield. Thoroughfare Gap.	4/27/2021 9:55 PM
1641	I guess it's more affordable? It also differs from other counties due the lack of green space, ugly housing developments and strip malls.	4/27/2021 9:31 PM
1642	It's taxed way too much, but doesn't do anything for its constituents.	4/27/2021 7:19 PM
1643	Not as aesthetically pleasing as Fauquier or Loudon. Government employees are not paid a fair wage compared to Fairfax. Cost of living is so high, even as a long term PWC government employee it is very hard to afford living in this county that you serve. The 2020 raises that	4/27/2021 5:42 PM

were supposed to address this inequity in salary were slashed significantly for some of us. Will it take another 10 years to revisit it???? Treat people better, PWC.

1644	Diversity and the access to early voting locations.	4/27/2021 4:31 PM
1645	We were governed well - but that all changed in 2019. Now we're just an extension of Fairfax and other suicidal counties.	4/27/2021 4:15 PM
1646	Lack of wineries, destinations, and major employers	4/27/2021 3:48 PM
1647	The county doesn't have as much money as fairfax county. The county needs to spruce up and modernize some of the older and dated looking plazas	4/27/2021 3:30 PM
1648	It is more affordable than counties to the north. It is becoming more educated and progressive than the rural counties in the other directions.	4/27/2021 2:27 PM
1649	No metro.	4/27/2021 2:18 PM
1650	This county could care less about it's people. Neighboring counties care.	4/27/2021 2:11 PM
1651	It makes me appreciate Page Co. more.	4/27/2021 12:53 PM
1652	Higher taxes and more stringent policy than neighboring counties with lower quality of life, increases in cost of living, and failing infrastructure.	4/27/2021 12:29 PM

1658	The horrible roads	4/27/2021 1:12 AM
1659	It's slightly cheaper and we have more violent crime along rt 1.	4/27/2021 12:39 AM

1661	Better mix of people and good policing.	4/26/2021 11:01 PM
1662	It's liberal agenda.	4/26/2021 10:41 PM
1663	Open areas, National Forest, Sod Farms	4/26/2021 10:19 PM
1664	Less city feel, way more suburbs.	4/26/2021 9:50 PM
1665	Rural character.	4/26/2021 9:48 PM
1666	There's still the idea that we have the rural crescent but given recent decisions maybe that isn't true and I would hope the county is planning green spaces and protecting wildlife rather than continuing to develop land and giving in to land developers and making the mistake of approving anything resembling the bicounty parkway.	4/26/2021 8:54 PM
1667	Nothing	4/26/2021 8:28 PM
1668	Tries to be like other counties instead of setting itself apart	4/26/2021 8:23 PM
1669	It turned blue, and has fallen into the cancel culture political BS, slowly removing the history of PWC.	4/26/2021 7:48 PM
1670	Can't figure out how to get residents to Dulles quickly despite close distance. Lost PNATS and some serious quality of life to Fredericksburg. Have you seen the new stadium? That could have been us.	4/26/2021 7:39 PM
1671	Fairfax County, from which I moved some thirty years ago, is still fabulous. Two of my children still live there -- happily. My entry into PWC was scary -- gun racks, rebel flags and third world services. Now, PC rocks! I regret a bit the loss of open environments - think bird-watching. But, I appreciate the continuation of the old "melting pot" meme while we celebrate our diverse backgrounds.	4/26/2021 7:08 PM

1746	It depends on who you're comparing PWC too. Comparing PWC vs. Fairfax? We have a lower cost of living, longer commute, less amenities, etc. Comparing PWC vs. Fauquier? It would be the exact opposite. We would then have a higher cost of living, shorter commute, etc. All other counties around us seem to have better dining options though. PWC seems to love their crappy fast food and chain restaurants.	4/25/2021 10:22 AM
1747	In some [places you can still enjoy the suburban/country feeling with our taking a trip out of the county. It seems we are gaining larger businesses, but losing many stores for shopping. 1902	Very poor traffic planning. Catering far to much for developers. Not planning for green space and walking trails. Major companies like Amazon will locate data centers here but not headquarters because execs feel the total lack of amenities. Little commercial options beyond dollar stores and nail salons. Look to Montgomery Co for example	4/23/2021 9:17 AM
1903	NOTHING that I am aware of. I have been overwhelmed with the disappointment and outrage I have been experiencing over SCHOOL CLOSURES, MASK WEARING IN SCHOOL AND THE UP COMING INDOCTRINATION OF OUR CHILDREN WITH CRT!	4/23/2021 8:59 AM

1931	Not enough transportation opportunities, western part of the county lacking in services compared to eastern part of the county, unfair distribution of services. Less good shopping, less recreational venues for all age groups. less good restaurants.less all year round recreational facilities. Lots of outdoor facilities good for perfect weather: not winter cold. Snow. Rain, sweltering hot, stormy.	4/22/2021 8:41 PM
1932	Unfortunately it is becoming similar to the other counties - crowded and congested - but it has the drawback of being further away from DC so the commute is even longer. It does not have the benefit of the free flowing parkways and roads that it used to have.	4/22/2021 8:22 PM

1944	It's orange. It seems like everywhere I look, and everywhere I drive, orange barrels, orange cones, orange plastic fencing, orange signs. The construction needs to stop. Orange is the worst color to attract visitors and create a thriving tourism industry. Orange detracts from the brand.	4/22/2021 6:50 PM
1945	Ridiculous gerrymandering	4/22/2021 6:48 PM
1946	Southern county has too much poverty and not enough services. No affordable senior housing.	4/22/2021 6:42 PM
1947	Well it has a different demographic according to incomes, it lacks a county wide bus system like Fairfax, and airport or subway system like Loudoun so comparisons are not favorable in some ways. The future looks better particularly in terms of server "farms", improvements on 66 and the bus service for commuters to dc. It really needs a county system as employees are not going to come easy to new businesses here.	4/22/2021 6:39 PM

1949	Nothing that I can think of other than more affordable housing	4/22/2021 6:24 PM
1950	Lack of restaurants, job opportunities options that don't require a security clearance for economic environments, and a sense of being a vibrant city. Very small town feel and we have to drive to get more options.	4/22/2021 6:23 PM
1951	No reputation for white supremacy.	4/22/2021 6:19 PM
1952	Fairfax County has better goods and services than Prince William. All Prince William County does is build homes with no new roads and few new services, especially on the eastern side of the county.	4/22/2021 6:10 PM
1953	Not sure, waiting to see.	4/22/2021 6:08 PM

1978	lower taxes	4/22/2021 4:16 PM
1979	Previously, it was the ability to live in semi-rural to rural areas within reach of the NCR. However, with continued planned housing communities encroaching, the only difference is the price of houses...still slightly cheaper than Fairfax, but just as compressed.	4/22/2021 4:11 PM

1983	Large Latino population	4/22/2021 3:59 PM
1984	Out West is still nice and not so crowded but on the east side, it is the poor section of Fairfax.	4/22/2021 3:58 PM

1987	Too many lights; too much traffic; affordable housing or more affordable anyway.	4/22/2021 3:26 PM

Prince William County - Messaging and Branding

1988	Prince William County has more land and is more blue collar. There are also a lot more underdeveloped areas within the broader county.	4/22/2021 3:24 PM
1989	Larger parks with longer walking paths and a greater variety of terrain and shoreline. Otherwise, we are more affordable than Fairfax and closer to DC than anyone south on 95 or west of Pr Wm or Fairfax.	4/22/2021 3:18 PM
1990	Fifty years ago, it was nice. Now it's full of people saying they deserve to destroy mod-county and the Rural Crescent. This is bullsh*t. Anyone is welcome in the Rural Crescent.	4/22/2021 3:15 PM
1991	A beautiful county with amenities along with a great-looking website and seal.	4/22/2021 3:12 PM
1992	Not as packed together as Fairfax but unfortunately we seem to be moving towards tighter communities. Keep the green space.	4/22/2021 3:11 PM
1993	Nice mix of metropolitan and rural.	4/22/2021 3:08 PM
1994	It has taken the cheap road on everything it has done for the last five or ten years, and it is readily appearant to residents and visitors.	4/22/2021 3:04 PM
1995	More affordable housing.	4/22/2021 3:03 PM
1996	Not too crowded. Many shopping centers. Good system to commute to DC	4/22/2021 3:02 PM
1997	Still not as developed and crowded as counties closer to DC but more culture and opportunity than counties to the south	4/22/2021 2:59 PM
1998	It isn't terribly commercialized. There hasn't been rash destruction of scenery and rural wild life to accommodate development of businesses and commerce.	4/22/2021 2:57 PM
1999	Less expensive, more affordable. People are friendlier. It is less rat-race-y than Fairfax but still just a short drive from DC (not in rush hour traffic, of course).	4/22/2021 2:53 PM
2000	Fairfax is overbuilt with excessive taxes and no value to show for the expense	4/22/2021 2:50 PM
2001	Extension of Loudoun /Fairfax, yet Lower cost (for now). 10-15 years ahead of Spotsylvania in design/planning.	4/22/2021 2:49 PM

2004	High schools offer transfer requests	4/22/2021 2:44 PM
2005	not as advance and lack opportunities as other counties	4/22/2021 2:43 PM
2006	Lower taxes, less congestion than counties further North towards DC. More business and retail opportunities than counties just to the South or West of us.	4/22/2021 2:43 PM
2007	its cheaper. the police are friendlier. there seems to be more crime in prince william. there seems to be more homeless people and panhandlers in prince william. prince william county has a bit more of a rural feel to it since it has a significant amount of rural land and small towns. people seem a little trashier than in fairfax county	4/22/2021 2:43 PM
2008	Hasn't raised taxes as much,getting there though.	4/22/2021 2:42 PM
2009	Some of it is the size and geographical location, as well as many natural wonders to enjoy.	4/22/2021 2:39 PM
2010	It used to be different because it was more conservative than surrounding counties, but now unfortunately it's liberal and woke just like Fairfax and Loudoun.	4/22/2021 2:37 PM
2011	Clean, friendly environment.	4/22/2021 2:36 PM
2012	PWC was a great community for military families. Small farm town with affordable housing. Over time the residents have changed yet the mentality of the County leadership is stuck in the 50's and 60's. The so-called diverse middle class are extremely antiquated and have absolutely NO urban flair. The county could use the same %/# of entertainment options as it has worship venues. The only draw to the County for younger families is the housing cost.	4/22/2021 2:36 PM
2013	Not much.	4/22/2021 2:34 PM

Prince William County - Messaging and Branding

2014	It's corrupt Board of Supervisors.	4/22/2021 2:32 PM
2015	It has changed from "southern Charm and values" to "northern values"	4/22/2021 2:31 PM
2016	It's so very WIDE, and diverse. Diverse in both ethnicity and geographically.	4/22/2021 2:28 PM
2017	Depends on which county. Less rural than Fauquier with fewer desirable viewsapes and historic sites Less sophisticated than Fairfax or Loudoun. About like Stafford only closer to DC.	4/22/2021 2:28 PM
2018	PWC is the edge. The edge between the more populated NOVA area and the country area where the land opens up to fields, farms and mountains. Fairfax has larger lots on their south western areas as well (to include the exclusive Clifton area) and they protect their waterways and watershed better. They seem to be ahead of us in realizing that protecting the environment is important to act on, not just talk about. We're not as crowded as Fairfax nor as expensive. We also don't have parkland that is equivalent. PWC has 5000 acres, Fairfax has 23,000 acres, Montgomery County has 36,000 acres. PWC parks are often sports parks or passive parks. Bullrun park or Burke Lake Park or Pohick Bay park..have camping, picnic pavillions, swimming facilities, frisbee golf-festivals, fun-runs, holiday lights, they have more services. We're a county with neighborhoods. We don't have a centralized area, we're a county-not a city, we have Occoquan, old town Manassas and Stonebridge town center, but generally, we are sprawl, full of neighborhoods, schools and stripmalls where we must drive everywhere. We're ethnically diverse, but probably not as much as areas to our north. I think our schools and students are competitive with Fairfax county, but Fairfax is over the top.	4/22/2021 2:28 PM
2019	Lots of green space and opportunities to hike and enjoy parks	4/22/2021 2:22 PM
2020	Taxes are too high and going higher. The county keeps increasing taxes on seniors. The county should be looking for ways to decrease taxes.	4/22/2021 2:22 PM
2021	Diversity. More open spaces. More affordable housing options.	4/22/2021 2:17 PM
2022	High taxes no benifits	4/22/2021 2:17 PM
2023	Our reputation as a bigoted community	4/22/2021 2:15 PM
2024	PWC is progressive...not in just political way...but in it's response to meet the demands of more citizens moving to the area. The county adapted...sure there is always push back, but it is dedicated to supporting economic and social growth	4/22/2021 2:14 PM
2025	I don't know that it is all that different from neighboring counties. Part of the appeal is its proximity to other nearby counties/cities, which have their own unique features. I enjoy spending time in PWC but also can quickly access Fairfax County/Alexandria/Fredericksburg.	4/22/2021 2:11 PM
2026	Protected outdoor space that is honestly being looked at as to the best way to proceed into the future.	4/22/2021 2:10 PM
2027	PWC is progressive and forward thinking. It is not afraid of change nor public opinion when it is beneficial to the majority and the younger population.	4/22/2021 2:09 PM
2028	Better educational oppourtunities and lower taxes	4/22/2021 2:08 PM
2029	Prince William is the only county in Northern Virginia that is made up of a majority of people of color. In essence Prince William County looks like America will look in the next decade or two.	4/22/2021 2:07 PM
2030	Potomac and Piedmont	4/22/2021 2:04 PM
2031	Infrastructure/roads/new construction....managed well.	4/22/2021 2:03 PM
2032	Abrupt political changes does not result in fundamental changes in infrastructure. Roads are not well maintained. Crime seems to be on the rise, police seem to be unfocused on their missions. Rivalry between Sheriff's Dept and County Police has to be a drain on resources. Micro small towns that have their own police departments and create speed traps on local roads should be illegal like it is in many other states.	4/22/2021 1:59 PM
2033	A little behind in bringing in new businesses. Asks for too much in taxes	4/22/2021 1:58 PM
2034	Housing costs	4/22/2021 1:58 PM
2035	Steady growth and citizen friendly county	4/22/2021 1:54 PM

Prince William County - Messaging and Branding

2036	I think PWC has a poorer reputation than LC or FXC. There's a lot of trash and the roads are not as well taken care of. It's difficult to get into DC. I commute 4 hours a day to get to work in DC. Housing is more affordable than LC and FXC but prices are climbing.	4/22/2021 1:54 PM
2037	Somewhat more sensible in how PWC schools have dealt with the covid 19 situation.	4/22/2021 1:54 PM
2038	On the surface, more greenery, not as congested as Fairfax and, as I have been advised more diverse albeit no statistics ever provided to reflect differences among the counties.	4/22/2021 1:53 PM
2039	diversity	4/22/2021 1:53 PM
2040	More to do than Stafford. Less to do than Fairfax.	4/22/2021 1:50 PM
2041	TELL ME.....NOT SURE YOU CAN	4/22/2021 1:49 PM
2042	I moved from Stafford county because of traffic and lack of family entertainment. Much better quality of life here.	4/22/2021 1:48 PM
2043	More poverty.	4/22/2021 1:47 PM
2044	Affordably rural	4/22/2021 1:46 PM
2045	Very clean and new local businesses	4/22/2021 1:45 PM
2046	Nothing.	4/22/2021 1:45 PM
2047	There still remains some open space to recreate an historic sites are supported and utilized.	4/22/2021 1:45 PM
2048	Diversity	4/22/2021 1:43 PM
2049	it is a modern offering close to metro areas yet maintains a clean rural feel.	4/22/2021 1:40 PM
2050	Not too rural	4/22/2021 1:38 PM
2051	Demographics include more highly educated residents.	4/22/2021 1:37 PM
2052	nothing anymore.	4/22/2021 1:36 PM
2053	As of late not much.	4/22/2021 1:36 PM
2054	Not as expensive , lower population density, fewer traffic tie ups	4/22/2021 1:35 PM
2055	Open space yet close to DC, VRE access	4/22/2021 1:32 PM
2056	The outrageously expensive water.	4/22/2021 1:30 PM
2057	Other parts are not as excellent	4/22/2021 1:29 PM
2058	After Fairfax, Prince William will become a close standard	4/22/2021 1:29 PM
2059	The rural character and natural environment.	4/22/2021 1:29 PM
2060	Very diverse	4/22/2021 1:26 PM
2061	It's people. We are more laid back and tend to be more conservative. I can't say the same for our BOCS that are in the majority.	4/22/2021 1:22 PM
2062	It's history	4/22/2021 1:21 PM
2063	It has an interesting mix of rural and commercial areas. It feels disconnected though in a lot of different ways with large pockets of residential areas and small commercial areas. The east and west ends of the county seem so far apart which is worsened by traffic.	4/22/2021 1:21 PM
2064	Still retains some rural character - love that in 15 minutes I can be driving in the country	4/22/2021 1:18 PM
2065	Not much.	4/22/2021 1:17 PM

Prince William County - Messaging and Branding

2070	Nothing..... I am dis-heartened as to the direction of PWC. I certainly expected dynamic leadership from the CBOS but have seen little from the Chair and others. Board Meetings that last to 4:30am is disgraceful. When Candland becomes the voice of reason; there is trouble abounding.	4/22/2021 1:14 PM
2071	Not much. Appears that housing is slightly less expensive than Fairfax County	4/22/2021 1:12 PM
2072	Still growing and expanding services	4/22/2021 1:12 PM
2073	Cost of living	4/22/2021 1:11 PM

2075	Space and maintaining it.	4/22/2021 1:09 PM
2076	It has high density populated areas as well rural areas	4/22/2021 1:09 PM
2077	not yet to big but at the rate they move they are becoming a little Fairfax an might loose the small town community feel.	4/22/2021 1:08 PM
2078	Not much.	4/22/2021 1:07 PM
2079	History.	4/22/2021 1:06 PM

2087	Lower cost of living than other Northern VA counties, but less public parks / facilities.	4/22/2021 1:00 PM
2088	We still have rural parts, and the eastern side is conveniently right off I-95.	4/22/2021 12:59 PM

There are not many, if any at all, white table cloth restaurants. There are many chain restaurants but nothing too fancy. I feel the county is lacking in places where families can go for fun and entertainment. the ones that are left and not destroyed, when you closed them all down. There are camping sites. Fishing. Boating. Biking on PWC--very scenic. I used to drive to Sturgeon Lake in Canada to fish. It is here. We have some parks/water park. Camping. Visit farms/museums. Much history. I am still working on visiting the Neabsco Boardwalk. I am so excited about it. You could cultivate these things instead of Destroy/Erase/Cancel. And replace with INDUSTRIAL WASTELAND. I visited the Amazon River in Peru years ago. Never once saw a snake! Not a one. I see people's pictures of them in their sitings in Neighborhood all the time. I have learned about them and have a better idea what they look like and can identify. The bears, too. It is a nature lover's dream. Quantico, is here, that most people only hear about on Law & Order (not sure the show). They probably have tours. Maybe not, because of the lockdowns. In spite of this list, I am sure my little reperatoire of a summary of it is a gross under-representation. We are not Hollywood. We are diverse--remember? I had wild orchids growing in my woods at one time. We are close to other tourist spots: DC for example. George Mason brought us Shen Yun. I can't wait to go when they finally start offering it again. We really don't want for much of anything here. Maybe that is why some people think they have to DESTROY, CANCEL, ERASE with Industrial Wastelands! I don't know the technical termonology for it, but the creator(s) of Shen Yun have patented a process whereby the actors appear to be jumping from out of the background pictures! Amazing! We are sooo blessed. The only thing that can make this life better than what we have now will be HEAVEN.

During the day, a nice thing to do is to go out Leeslvania State Park, that place has a ton to do and is great for the whole family! If you like learning, head out to Bull Run, it's beautiful and has lots of things to see. Depending on the time of year, there are different things going on. 330	I'm not sure. It would depend if masks were still a requirement. If so, I'd advise them to not visit until all government restrictions were lifted. As a resident of this county, I feel my rights are completely infringed upon and don't want to subject others to the same treatment.	5/13/2021 2:30 PM

363	What is there to do here? Besides Potomac Mills mall? There are some battlefields, that's it. The biggest mistake this county made was letting the Nats go. What this county really needs are more sports complexes that cater to sports other than soccer (my youngest plays soccer and I am grateful for the many fields in the county!). The old PNAts stadium should be used for baseball and softball tournaments. When my daughter played softball we had to travel to Loudon county or Richmond every weekend. Sports tournaments can bring in a lot of money! Out of area/state teams will stay in hotels and eat at restaurants. They will shop in our stores.	5/13/2021 1:11 PM

575	Well this is where I have an issue with what PWC has allowed. The things that we use to do in PWC they have either let leave or forced out. For example, the allowed the PW Cannons to leave and move to Fredericksburg. That was one of the biggest mistakes we could have ever made. They also forced our Old Dominion Speedway and they too moved south. We still have Potomac Mills but malls are becoming a thing of the past. They also were not able to close the deal with Lego Land when that was being discussed. We are also losing the county fair. Not sure what else we have to lose nor do I know exactly where I would take someone within our own county during a visit.	5/13/2021 7:16 AM

1287	I'd recommend that they stay in Gainesville, which is closer to 66, so that they have faster access to other locations. Plus, they'd be closer to some of the nicer retail outlets. Since PWC chased Disney away, there's not much else they can do in the area. Visit DC, which is now guarded by the National Guard? Maybe head out to Luray or some of the old towns in the area. Take a tour in one of our colonial mansions. Old Town Manassas is nice for a day.	5/12/2021 5:54 PM
1288	Stay Safe	5/12/2021 5:54 PM

1295	We might go shopping or out to eat. More local restaurants are needed.	5/12/2021 5:52 PM

1311	Assuming Friday-Sunday on a good weather summer weekend. On the first day day, I would recommend a hike and picnic in PW Forest Park on one day, with dinner and shopping at a restaurant in the Stonebridge Shopping area that evening. On the following day, I would recommend the farmers market, shopping, and lunch in Old Town Manassas, then a series of the farm stands/you-pick in the rural crescent, followed by an afternoon at one of the brewery/wineries (2 Silos, La Grange, etc) to enjoy refreshments and live music into the evening. On the last day, I would recommend brunch and shopping in Occoquan, picking up snacks at the pie shop, then going to enjoy the rest of the afternoon at the Neabsco Creek Boardwalk to end the weekend.	5/12/2021 5:50 PM
1312	Potomac Mills, Neabsko Creek, Occaquan, 2 Silos, Wineries	5/12/2021 5:49 PM

We have parks on the Potomac to enjoy the weather and water. There is Jiffy Lube live for great outdoor music and we have many historical areas including the battlefields (that are great for exercise also while gaining knowledge). We are also the gate way to great hiking and good wineries just to the west of us that added to the relaxation.	5/12/2021 5:46 PM

1403	There are not many tourist attractions, but there are some lovely places depending on the season. My favorite thing is the Bluebells along Broad Run in the spring. The hiking trails at the battle fields are nice as well (Excellent visitor center for Civil War enthusiasts). Olde Town is interesting, but it pales in comparison to Olde Town Leesburg or Olde Town Alexandria. The Manassas Museum is very interesting	5/12/2021 5:34 PM

1673	If outdoorsy types, Leesylvania Park offers great access to water, boat rentals, trails, etc. There are numerous other outdoor activities hiking the Battlefields, touring tulip farms and other farms in Nokesville area etc. Both Gainesville/Haymarket and Woodbridge Town Centers offer diverse dining experiences, including outdoor dining, Farm Brew Live, and several local wineries to enjoy. However, high rents and lack of affordable land and locations severely limits PWC from having independently owned dining and shopping options. Manassas has much more to offer in that regard. The dining options are not the best but at least their downtown has a good number of options which PWC has never had. It is nearly impossible for an independent restaurateur to be successful for any length of time in the County. Haymarket, dealing only	5/10/2021 9:06 PM

road construction (since I was in middle school, I'm 38 now) with no traffic relief, thinking toll roads that the county can make money off of that nobody will actually use will fix traffic, adding crisscross roads at 15 and 66 was a genius idea (sarcasm), illegal Mexicans outside of every gas station, another mall shooting just last week, and kids being indoctrinated and coming out of school as morons. So yeah all in all, you're all doing great☹️ (more sarcasm)

1862	Go visit the surrounding areas. There isn't much to do in Prince William that is unique or exciting. I suppose you can check out the battlefield or go to old Town manassas, but then again that's the city of manassas and not the county. It's a very underwhelming place. I dont intend to live here much longer than I need to.	4/25/2021 8:12 PM

1870	Maybe Occoquan waterfront but that wouldn't even take a weekend.	4/25/2021 5:46 PM
1871	There isn't a whole lot to recommend in this county that I am aware of. The Battlefield, which is great, but not a lot of attractive offerings, Leesylvania park is beautiful but rarely mentioned. Our malls are crappy and high crime. I am not trying to be negative, but really our county has been shooting itself in the foot in terms of what it offers to the residents. And it seems that there is more on the eastern side of the county but I'm not as familiar with that side.	4/25/2021 4:36 PM

1895	Usually when someone comes to visit me, the only things we might do in PWC are either the battlefields (if they love history) or take them out on my boat that's kept on the Occoquan. Everything else, dining and shopping are better in Fairfax, tons of sightseeing or sporting events in DC, TopGolf in Loudoun, or even (pre-covid) going down to Kings Dominion. Bristow (pre-covid) was good for seeing big acts at Jiffy Lube Live.	4/25/2021 10:22 AM

If those don't seem like a good recommend to you, you've never been in one! Shopping (especially in a mall) across the USA has become a monoculture with the same stores in every center, but thrift or junk shops retain a unique character and Pr. Wm. has more than most locations.	4/22/2021 3:18 PM
