Prince William County
District Stakeholder Session Research
Coles District with Supervisor Yesli Vega
Updates to Methodology/Process

Early on in the district stakeholder sessions, review of the Brand position statements was conversational so statistical data afforded through the polling feature was not available. This information is presented, shared, and intended to be considered for directional purposes.

We ultimately evolved our process to begin polling residents to gather ‘votes’ for Brand Position Statement Reaction while capturing specific feedback (if provided) in the chat and Q&A features of the Zoom platform.
Whiteboard Participation
