

Online Training for a Simpler Transition

Separation Science

LECO
E LEARN

LECOLearn is an online core supplement to our standard training courses included with every Pegasus® BT. Find helpful videos on a variety of basic topics.

- *Databases and File Management*
- *Tuning and QC*
- *Methods and Acquisition*
- *Deconvolution and Quantitation*
- *Introduction to GCxGC*

LECOLearn can help your lab be:

- More productive with basic training moving at your pace, on your schedule.
- More efficient with quick refreshers on the optimal way of using your equipment.
- More confident with the knowledge that you're not missing any features of your Pegasus® BT.

At LECO, we stand behind more than just our instruments. We stand behind you.
