Testimonials from DataCon Africa: Live

"I liked that I was able to go and view other topics in different streams running at the same time later in the day. At an in person event, I would have to choose one and miss out on the others. I also liked that I could watch the videos as it better suited my schedule and could still attend other meetings and calls without missing the presentations and discussion."

Charlene Spangenberg, Manager: PMO & Support, OpenServe

"I didn't imagine it could be a perfect event like that. Bravo!"

Miemie Makinta, Compliance Leader, Vodacom

"Extremely well organised and coordinated. Well done!"

Bryn Davies, CEO, InfoBluePrint

"Great speakers overall. Very informative!"

Mishumo Dzhivhuho, Senior Manager: Data Science, MTN
