

GET GOING IN FIVE EASY STEPS

Fixed Route User Guide

1

DOWNLOAD

The TransLoc App is available for Android and iOS

2

ENABLE LOCATION SERVICES

To explore routes and stops near you, please enable your location services.

3

VISUALIZE ROUTES IN YOUR AREA

You'll start with a view of all active bus routes. Don't see what you're looking for? Move around on the map to load additional routes in the area.

4

ROUTE SELECTION

You'll see 5 routes on your map automatically but you can select up to 10 routes that fit your needs.

5

FAVORITE STOPS

Pin frequently used stops to access schedules and estimated arrival times that will be stored in the "Me" tab.
