
Deako Smart Switch

Control from anywhere

With a clean and simple design, the Deako Smart Switch looks great in any home.

Place in your entry and program the switch to turn on any other Deako smart device in your home so you don't have to feel your way through the dark. Or use the switch to control your exterior lights and easily set schedules to have them turn off and on automatically.

Features

- Control from anywhere
- Programmable with Deako App for Android and iOS
- Customizable long press action
- Set timers
- Schedule your lights
- Create scenes and zones
- For lights controlled by 1 or more locations (*single-pole, 3-way, and 4-way compatible*)

Applications

- Automate your daily routine
- Control multiple devices
- Set up mood lighting for dinners, movie night or parties
