

Edward Gest, CPA

Manager

Ed is a Manager at SVA Certified Public Accountants with expertise in the construction and manufacturing industries.

Ed has the knowledge and expertise to assist clients in a broad range of services dealing with financial planning, mergers and acquisitions, and personal income tax planning. He works with clients on their individual tax planning and compliance issues. Ed provides tax consulting based on each client's circumstances and gives guidance on where they can make adjustments to reach their goals, while keeping their tax bills to a minimum.

Before joining SVA, Ed worked for Johnson Controls for over 30 years assisting with their accounting needs.

Ed is a member of the Wisconsin Institute of Certified Public Accountants (WICPA) and the American Institute of Certified Public Accountants (AICPA).
