Bonnie Lilley, CPA, CGMA®, MBA *Principal*

Bonnie is a Principal with SVA Certified Public Accountants and has experience performing and managing audits, reviews and compilations.

Bonnie works with clients on understanding their business, the challenges they are facing, and helping them with a proactive strategic approach to growing their business.

She brings a solid base of knowledge specific to closely-held businesses, allowing her to assist clients not only with their accounting and financial needs, but also with basic management, process improvement, governance, and tax matters.

In addition, she works with clients to identify, improve, and maintain effective internal controls as well as accounting procedures to help them manage and control their business more efficiently and economically. She also provides Service Organization Control examinations as well as agreed-upon procedures.

Bonnie has worked with a wide array of clients including manufacturers, distributors, contractors, and nonprofits performing and supervising audits, reviews and compilations and providing consulting and support services. In addition, she has global experience working in Asia, Europe, and South America.

Bonnie is a member of the American Institute of Certified Public Accountants (AICPA), the Wisconsin Institute of Certified Public Accountants (WICPA) and an annual presenter at the Waukesha STEM Academy.
