

Erin Breber, CPA

Senior Manager

Erin is a Senior Manager with SVA Certified Public Accountants and works closely with business owners and their executive teams to advise on accounting and tax issues. She helps them develop key performance metrics including budgets and dashboard reporting, as well as helping executives better understand their financial reporting.

Erin's expertise includes accounting software implementation, training and support. She also performs, as well as supervises, financial statement reviews and compilations. Erin uses her years of expertise to prepare payroll as well as sales and use tax returns. She also prepares individual and business tax returns.

Erin is an Intacct Certified Accounting and Implementation Specialist. Erin is a member of the Wisconsin Institute of Certified Public Accountants (WICPA). She also serves on the Board of Directors/Treasurer for Heroes for Healthcare, Inc.
