

Bryan Bechtoldt, MS, EdD

President and Principal

Bryan is the President and Principal for SVA Consulting, LLC, a member of the SVA family of companies.

In his role, Bryan works with SVA's clients to

help them prepare their organization for transformation through shaping vision and development of implementation strategies. To this process, Bryan brings a broad set of knowledge from both practical business experience and academia. This combined knowledge often times allows Bryan to position differentiated thought to a growth based or problem solving exercise.

Prior to joining SVA Consulting, Bryan served as the Chief Operations Officer and Chief Information Officer for Core BTS (a national value-added reseller of technology hardware and services). Bryan also acted as the Chief Technology Officer and Vice President of Professional Services for Inacom Information Systems based in Madison, WI.

Bryan currently serves on the board of directors for the SVA family of companies.
