

Jeanne M. Goulding

Senior Manager

Jeanne is a Senior Manager with SVA Certified Public Accountants and works with healthcare and dental practices on accounting software implementation and training. She creates and reviews financial statement reporting and makes recommendations as needed to help practices get the most benefit from their reporting options. QuickBooks reporting is a special focus for Jeanne and she is a QuickBooks Certified Pro Advisor: Online and Desktop.

She assists clients with day-to-day accounting issues related to payroll, sales and use tax, and practice management. Jeanne has many years of experience with individual and corporate tax for healthcare practices.
