

Jennifer A. Radtke

Manager

Jen is a Manager at SVA Certified Public Accountants with expertise in the healthcare and dental industries.

Jen's experience includes expertise in healthcare accounting, financial reporting, audits, process improvement, accounting guidance research and documentation, and financial system implementation.

She works with clients to review their accounting and financial statement reporting to ensure accuracy and integrity of practice financials. Jen reviews processes and procedures to identify opportunities where efficiencies can be obtained, and then works on implementing changes to realize those efficiencies. She assists clients in finding ways to utilize their financial systems to maximize reporting capabilities and streamline processes.

Before joining SVA, Jen worked for another accounting firm assisting healthcare clients with their assurance needs. She was also the Director of Accounting and Financial Reporting for 11 years at a large health systems firm in southeast Wisconsin.
