Justin C. Chesbrough, CPA, MST *Healthcare Consultant*

Justin is a Healthcare Consultant with SVA Certified Public Accountants and focuses on the healthcare and dental industries.

Justin works with healthcare practices on entity formation, financial statement presentation, benchmarking, employee structure and benefits, overhead control and tax planning. He also works with clients on compensation formula development and implementation for multi-owner businesses.

Justin reviews individual, corporate and partnership tax returns and assists in training SVA staff on tax return preparation. He assists dentists who are looking for practice opportunities and guides practice owners in the recruitment of associates, identifying a partner and preparing for practice transition or sale.

Justin is a member of the Wisconsin Institute of Certified Public Accountants (WICPA) and the Delta Sigma Pi Alumni business fraternity. He was published in the WICPA On Balance magazine and was a guest presenter for the Association of Wisconsin Surgery Centers (WISCA) as well as various Dental Societies. Justin is a board member of Independent Healthcare Advisors (IHAWI).
