

Mary S. Hoover

Manager

Mary is a Manager with SVA Certified Public Accountants and has experience working with medical practices.

Mary assists healthcare practices with financial statement presentation, compensation formula development and physician buy-in and buy-out calculations.

She works with healthcare practices on staffing and personnel issues, employee benefits and payroll tax matters, patient billing and accounting tasks.

Mary advises and provides support for businesses on their financial reporting systems. She provides training as well as establishes procedures for reporting using a variety of financial reporting software options.
