

Do you feel bogged down by the overwhelming amount of red tape and complicated compliance requirements surrounding your real estate transaction?

Hi, my name is Adam Kleinmaus and I'm a manager in the real estate services group here at SVA. I'm often called to speak on real estate transactions, especially those involving affordable housing. I cover the development, operations and disposition stages of a project. My primary focus is to alleviate the headaches that generally accompany these complicated deals. If you would like me to come to speak to your group, please contact Speaker Source at SVA.
