

Vision Insurance

Hub Group, Inc.

With your Vision Preferred Provider Organization Plan, you can:

- Go to any licensed vision provider and receive coverage. Just remember, your benefit dollars go further when you stay in-network. If you choose an out-of-network provider you will have increased out of pocket expenses, pay in full at the time of services, and file a claim with MetLife for reimbursement.
- Choose from a large network of ophthalmologists, optometrists, and opticians, from private practices to retailers like LensCrafters, Costco® Optical, Walmart, Sam's Club and Visionworks.

MetLife Vision benefits are underwritten by Metropolitan Life Insurance Company, New York, NY. Certain claims and network administration services are provided through Superior Vision Services, Inc. ("Superior Vision"), a Delaware corporation. Superior Vision is part of the MetLife family of companies.

Savings from enrolling in a MetLife Vision Plan will depend on various factors, including plan premiums, number of visits to an eye care professional by your family per year and the cost of services and materials received. Be sure to review the Schedule of Benefits for your plan's specific benefits and other important details.

Like most group benefit programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods, and terms for keeping them in force. Please contact MetLife or your plan administrator for costs and complete details.
