

Accident

Having an unexpected accident can cause more than physical injury—it can hurt your bank account, too. Accident Insurance can help cover the out-of-pocket costs associated with off-the-job accidents by paying you a benefit depending on the injuries you suffer and the treatment you receive. Coverage for children ends when the child reaches age 26, unless he or she continues to meet the requirements of an eligible dependent.

- Family coverage available.
- Plan pays a benefit directly to you and does not coordinate with other coverage, so you can still receive benefits on top of what your medical plan provides.
- Coverage applies towards events such as concussions, dislocations, fractures, physical therapy, and x-rays.

Example Accident Benefits*	
Event	Plan Pays You
Dislocation/Fracture	up to \$16,000
Ground/Air Ambulance	\$150/\$750
Accident Physicians Treatment	\$75
X-ray	\$150
Urgent Care	\$150
