Summary of Benefits for Renown Employee Health Plan

All Essential Health Benefits

LIFETIME MAXIMUM BENEFIT

Unlimited

Total Plan benefits for each covered person are not limited. However, utilization limits may apply to all or certain periods of Plan coverage, or to certain conditions or types or levels of care. Such limits are included in this summary.

NOTE: Any use of the term "lifetime" refers to all periods an individual is covered under the Plan. It does not mean a covered person's entire lifetime.

	Renown Network	IN-Network	Out-of Network
Deductible			
Individual	None	None	\$4,000
Family Unit	None	None	\$8,000

<u>Individual Deductibles</u> – The individual Deductible is an amount a covered person must contribute toward payment of covered charges. The deductible is due and payable by the covered person upon receipt of certain covered services. Where applicable, the deductible must be met before benefits are paid by the Plan. See "†" notations in the columns for instances where the Calendar Year Deductible does <u>not</u> apply.

Family Maximum Deductible – If covered charges equal to the Family Maximum Deductible are incurred collectively by family members during a calendar year and are applied toward Individual Deductible, the Family Maximum Deductible is satisfied. A "family" includes a covered employee and his covered dependents.

NOTE: The preferred and non-preferred deductibles are separate. Expenses applied toward the preferred provider deductibles will not apply toward the non-preferred deductibles or vice versa.

Maximum Out-of-Pocket (NOTE: Medical and Prescription		
Drug benefit expenses are subject to the same Maximum Out-		
of-Pocket)		
Individual	\$8,150	Unlimited
Family Unit	\$16,300	Omminted

Individual Out-of-Pocket Maximum – Except as noted, in any calendar year a covered person will not be required to pay more than his Individual Out-of-Pocket Maximum toward his deductible, copay and/or coinsurance obligations. Once he has paid his out-of-pocket maximum, his covered charges will be paid at 100% benefit level for the balance of the calendar year.

Family Out-of-Pocket Maximum – Except as noted, a covered family (employee and his dependents) will not be required to pay more than the Family Out-of-Pocket Maximum in any calendar year toward their deductibles, copay and/or coinsurance obligations. Once the family has paid their out-of-pocket maximum, their covered charges will be paid at 100% benefit level for the balance of the calendar year.

NOTE: The non-preferred provider out-of-pocket maximums do not apply to or include expenses which become the covered person's responsibility for failure to comply with the requirements of the Utilization Management Program (see Part 4 of the Summary Plan Description).

The following table identifies what does and does not apply toward the Network and Non-Network Out-of-Pocket Maximums:

Contracted providers are required to obtain certification/pre-certification from Hometown Health Providers. However, to avoid possible penalties, a covered person should verify that the referral and certification requirements have been met. Prior-Authorization by Hometown Health Providers does not guarantee that all charges are covered under the policy. Charges submitted for payment are subject to all of the terms of the policy.

Members may elect to seek services from non-preferred healthcare providers provided the member pays the additional deductible and coinsurance amounts and any additional charges over a usual and customary charge for the service provided. Members also may be required to obtain prior authorization before seeking services from

non-preferred providers. It is the member's responsibility to ensure that the appropriate prior authorizations are in place for both innetwork and out of network non-emergency services.

For an emergency or urgent hospital admission or treatment (including all complications of pregnancy) where a non-contracted provider is used, the covered person is responsible for making sure his/her Primary Care Physician and Hometown Health Providers is notified within 24 hours or as soon as reasonably possible after admission or treatment. Non-contracted physicians and providers may not know or attempt to notify Hometown Health Providers to obtain pre-certification for such services. All emergency care not reported to the covered person's Primary Care Physician and certified by Hometown Health Providers will be reviewed retrospectively to determine coverage.

If the covered person or a family member is unable to contact his or her Primary Care Physician and Hometown Health Providers before receipt of emergency or urgent medical services or within 24 hours of onset of the condition due to shock, unconsciousness, or otherwise, the covered person must, at the earliest time reasonably possible, contact his/her Primary Care Physician and Hometown Health Providers.

Benefits will be provided only for certified services and supplies No Plan benefits will be provided for care that is determined not a covered benefit or not meeting the Plan's criteria and protocols.

It is the obligation of the covered person to comply and cooperate with the referral and pre-certification requirements.

Pre-certification does not guarantee that all charges are covered. Benefits are subject to all of the terms of the Plan.
