

## How to Search for a WCA Provider Online

The Western Clinical Alliance (WCA) is a clinically integrated network which joins together physicians across our community into a single comprehensive care delivery network. For Renown employees covered under our Hometown Health insurance, this means you have access to the ever-growing WCA group of providers, which keeps healthcare costs affordable because seeing a WCA provider costs the same as if you were seeing a Renown provider.

**Step 1:** Sign into your Hometown Health [online account](#). If you don't have an account already, you can create one.

**NOTE:** You'll need your insurance card with your member id number to create that account.

## How to Search for a WCA Provider Online

**Step 3:** You can search for providers a couple ways.

### Search by Provider Type

- Search using the **Provider Type drop down button** and choose an option. In the example below, we are using Primary Care Providers. Click **Search**.

**Provider Directory Search**

## Search for a Facility or Specific Provider by Name

- Search using the **Provider Name or Facility Name box**. In the example below, we are looking for Reno Orthopedic Clinic facility. Click **Search**.

**Provider Directory Search**

**Please Read Before You Proceed:** We make every effort to ensure our provider data is accurate but listings do change frequently. Finding a provider on this site is not a guarantee of benefits coverage.

- This will populate a list of all the facility's locations and the providers associated with that specific facility. The Western Clinical Alliance providers will be listed first, making them easy to find. Look at the **Additional Information box** to verify it says **Western Clinical Alliance Provider**.  
**NOTE: Not all** providers in the facility will be WCA providers so you will need to look carefully to ensure you will pay the lowest copay.
