1. All subscriptions require an annual contract billed on a monthly basis and a one-time set-up fee equal to the monthly subscription fee. Each RIA firm subscription includes one MyRIACompliance® user license. For firms with more than one employee, the firm is required to purchase a user license for each additional firm employee to help the firm meet its compliance supervision requirements.

Each additional user license is \$10 for exempt reporting adviser (ERA) firms, \$15 for state-registered firms, and \$20 for SEC-registered firms.

2. All subscriptions include assistance with up to 3 private funds managed by the adviser. For firms managing more than 3 private funds, there is an additional \$100 charge per month per fund.

RIA in a Box LLC is not a law firm, investment advisory firm, or CPA firm. RIA in a Box LLC does not provide legal advice or opinions to any party or client. You should always consult your relevant regulatory authorities or legal counsel if applicable.

MyRIACompliance

Training and Onboarding:

We charge a one-time fee equal to the monthly subscription fee that includes a detailed MyRIACompliance® software training session with our onboarding and training expert. This fee also includes additional staff training and assistance with connecting to our technology integration partners.

How our training expert will help you and your staff:

- Provide Chief Compliance Officer training on all available MyRIACompliance® compliance tools
- Assist with customization of compliance settings and notifications
- Host a training session to assist with staff onboarding to MyRIACompliance®
